SENIOR NEWSLETTER

OCTOBER 2026

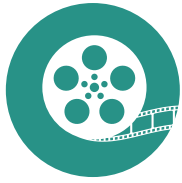

Dear Friends,

We are excited about everything that is happening at the Recreation Center. We are expanding programs, activities, and events for 50+ Active Adults. Our programs are designed to offer fun times, community, and connection.

I am the new Active Adult Coordinator at the Community Park District. I would like to continue to design programs that reflect the interest of the community. So please join us as your input and participation matters.

As we head into winter season, whether you enjoy games, movies, coffee, or events, we hope you find something to enjoy. I look forward to hearing from you and hope to see you soon.

Warmly,
Cathy Bongiovanni
Active Adult Coordinator
