

## JANUARY 2018

Dear Leaping Lizards Families,

It's hard to believe that we've turned the corner and we're now beginning the last half of the school year! We sincerely hope your holidays and your winter break were wonderful and you had an opportunity to make lots of memories with your little ones.

January will be a month of transportation. We'll be looking at all the ways that people travel and move things. We will discuss the uses of different vehicles as well as their parts, sizes and safety factors. It's sure to be a fun and educational theme.

**Please note:** No School on Monday, January 15  
- Martin Luther King Day

Happy 2018,

Ms. Terri & Ms. Angie
