Park District of La Grange Celebrates the Passage of Significant Referendum

La Grange, IL – November 6, 2024 – The Park District of La Grange is thrilled to announce the successful passage of our 2024 Referendum. This momentous achievement opens new doors for community-centered growth and development, ensuring La Grange remains a vibrant, inclusive, and active community for generations to come.

“Today marks an exciting new chapter for the Park District of La Grange. With the passing of this referendum, our community has voiced its support for enhancing recreational spaces and creating opportunities for all ages to connect, play, and thrive, said Jenny Bechtold, Executive Director of the Park District of La Grange. “We are deeply grateful to our residents for their trust and commitment to investing in our shared future. Together, we will build a stronger, healthier community that everyone can enjoy for generations to come.”

The referendum will fund a variety of projects in 8 of our parks including updated outdoor courts, pathway improvements, updated playgrounds, new shelters, shade trees, a bandshell and dedicated pickleball courts! Over the coming months, the Park District will work diligently to keep residents informed as projects are carefully planned and initiated. Follow our social media or website www.pdlg.org to stay up to date.

The Park District of La Grange extends its heartfelt gratitude to the community for its incredible support and commitment to a brighter, healthier, and more connected future.
