EAGER EAGLES

We are working our way through the alphabet. This month we will continue to work on our letters and numbers. We will also work on building a leprechaun trap to see if we can catch one at school. We have some really creative builders in this class. I can't wait to see the trap they make.

We will not be in school the last week of the month for spring break. Enjoy the week off!!

I am going to think spring! Hopefully we will get a chance to play outside. Please make sure your child has appropriate clothes to go outside. Thanks!!
