Gilbert Park  
Brown Bears

Dear Families,

Happy New Year!!

Welcome Back! I hope you had a wonderful and relaxing break with your children! I am so excited to see them and hear all about their time away. I am having such a great time with them! We will continue to have a fun time here in Brown Bears! Our Winter theme will continue and we will do some super fun activities and experiences that are centered around Winter & cold weather. Brrrr.....stay warm!

Important Dates:

Monday January 7 - School resumes

Monday January 21 - No School

Wednesday January 23 - Pajama Day!!

I would still like to get outside to play in the snow (if we have any!)  
I will keep you posted and give you advance notice if you need to send your children in snow pants, boots, etc.

There is so much to learn about winter and the cold weather, we are going to continue our winter fun!

This month's learning experiences will include:

We will have some "snow" in the sensory table so even if there is no snow outside, we can play with snow and build mini snowmen inside!

Polar animals will be a focus this month which will give us lots of opportunities to do fun projects.

We will talk about hibernation and read "Bear Snores On" this will tie in with our pajama day. Our little bears can pretend to hibernate!

We will have a lot of fun with our Winter learning this month!

Ms. Angie & Ms. Ashley
