Peggy Ronovsky Retirement

It is a truism that people retire and move away from the place where you always encountered them. The Community Park District must now face that situation because Peggy Ronovsky, the face of the front desk, HR Director and Office Manager is retiring after 25 years with the Park District. So many people think of her first when they think about the Park District because she has been so committed and involved with so many aspects of our operations.

My first memory of Peggy stems from when the Park District began to sponsor roller hockey games on Saturday mornings. I used to see her hustling to the Memorial Park rink to set everything up and to ensure that the day’s games would run properly. When those tasks were accomplished, she would then move to the brick building formerly on the north side of the Park and begin to sell beverages and candy to the players. Her energy and commitment were always evident.

The Board has always been aware of the value Peggy adds to the Park District. Her monthly reports often included ideas to streamline office practices and ways to save money. She originally oversaw a labor-intensive paper registration process and helped guide the Park District to its current online registration system. She is almost always the first employee a person entering the Recreation Building will encounter and is a smiling and welcoming presence.

Peggy is responsible for the District’s HR concerns and helps with bookkeeping responsibilities. As part of her duties, she gets all financial information prepared for the Park District’s annual audit with an outside CPA firm. The Board routinely receives compliments from those auditors because the material prepared in advance is always professionally put together and complete.

Peggy is treasured by her co-workers. They describe her as a “problem solver” and “the first person to respond to a situation,” whether that is cleaning messes in the front hall or spreading salt on the front walkways before parents arrive with their children for Ready Teddy preschool classes. She has training as an EMT and has responded to various situations at the Park District when called upon. As one former instructor said, “Peggy gets the work done” no matter what the situation might be.

A final story about Peggy that does not involve the Park District but absolutely describes Peggy. Peggy is very involved in many charities and fund raising activities. In 2011, she attended the St. Baldrick’s fundraiser that was held on Newberry Avenue by neighbors. Peggy jumped up in front of the crowd at one point and pledged to shave her head if she could raise $1,000 in one minute. She raised $1,200 and came to work on Monday with a shaved head.

Her coworkers describe her as the First Lady of La Grange Park. That is a designation that is hard to argue with.

Thank you, Peggy, for your energy and commitment. The Park District will certainly not be the same without you. Good luck, enjoy your retirement and make sure to stop by with stories and pictures of your children and grandchildren. It cannot be said enough, you have made a major difference in the Park District and we are better for your energy and devotion.

President’s Column
Summer 2018

The Summer Brochure arrives with the promise of outdoor activities and a prompt to residents to think about summer activities. The Board of Commissioners encourages everyone to be active, get your steps in each day and use the parks throughout the Village. This seems to be a particularly relevant challenge since residents can now begin to use the newly renovated Memorial Park.

There is a new shelter on the northwest corner of the park with picnic tables and restrooms. There is also a new gazebo just south of Phillips Flowers that is lighted and has electric outlets. The north central portion of the park has new sites for playing bocce and bags as well as 2 exercise apparatuses. The new facilities allow residents to host a picnic, perhaps a family gathering while you are listening to the music of the summer Wednesday night concerts. There will be 8 concerts this summer which will feature music for everyone starting June 20th. This year’s concerts will include the sounds of the 50’s and 60’s, cover music and country music as well as our annual guests, The West Suburban Band. Concerts begin at 7 p.m. The Board suggests that you pack a picnic dinner, blanket or folding chairs and come early to claim a space (perhaps at the new gazebo) to enjoy neighbors, the park improvements and of course, the music.

The entire north end of the Park has been renovated with new play equipment and the splash pad. The splash pad area is designed for younger children, but we anticipate that the entire community will be tempted to push the spray pad button to enjoy this new feature. The grand opening of the splash pad will take place before our first Wednesday night concert on June 20th.

The CPD will host its annual Memorial Day ceremony on Sunday, May 27th at 11:00. This event is still in its planning stages, but it typically involves participants from the local VFW, Park Junior High students, short speeches from Park District and Village officials and, of course, the many efforts of residents, including Jim Zwit. This is always a well-attended event and some seating will be available. Check our website at www.communityparkdistrict.org for more information about this event.

The CPD’s electric sign is operating again. If your not-for-profit group would like to publicize an event on the Board, please contact the Park District for information. You can also download a form to request space on the sign at our website.

As always, we invite you to attend one of our Board meetings that are held on the second Monday of each month, usually at 6:30. Board agendas and information can always be found at the website. Our email addresses can also be found on the website if you would like to communicate with the Board or our Executive Director, Aleks Briedis.

We hope to see you at one or all our parks no matter what season we are experiencing. The La Grange Park park system is designed to encourage residents to be active and social. As our Mission Statement says, “The Community Park District of La Grange Park shall offer high quality, affordable and accessible park and recreation facilities, programs and services in a financially responsible manner. It is always the resolution of the Board of Commissioners to live up to this Statement.

Karen Boyd
Park Board President

After the dedication please join us at the amphitheater for our first Music Under the Stars concert featuring Final Say at 7:00 pm. **Pickleball for Seniors (Beginner 1)**

Join the pickleball craze! Pickleball, a game that combines elements of tennis, badminton and ping pong, is sweeping the country. Pickleball players use wooden paddles and whiffle balls to play on a badminton-sized court with a slightly modified tennis net. The low-impact sport is easier on the knees and shoulders than tennis as it does not involve as much running or arm strength. Pickleball is a recreational game that is designed to encourage an active lifestyle.

We are offering two levels of beginner classes for interested seniors who want to play this easy-to-learn game. This class is for those who have never played pickleball before or who have very limited experience with the sport. It will focus on pickleball basics such as forehand and backhand shots, serving, and court positioning. Players will also learn scoring and the rules of the game through drills and playing time. The slower pace of this class will give players the opportunity to develop the skills needed to play this fun and energetic game. All equipment will be provided.

**VETERANS MEMORIAL**

The Veterans Memorial was dedicated on September 20, 2014. Our Memorial is unlike many Memorials in that it will continue to grow each year as memorial bricks are purchased and placed in the Memorial Plaza. The Community Park District of La Grange Park’s Veterans Memorial was built to honor ALL active duty and military veterans whether they served in times of conflict or times of peace. We feel that it is important to recognize all of our men and women who have served or are now serving because they never knew what tomorrow would bring as they protected America. There is no better way to honor your favorite active duty or military veteran than by placing a brick in his or her honor in our Plaza.

Memorial bricks can be purchased by submitting an order form found on page 40. You can also visit our website and download the form. If you have any questions you can call the park district office at 708-354-4580 and speak with Amanda Kennedy.

In response to community requests, donors who have purchased a memorial brick for the plaza will have the opportunity to buy a replica brick that can be given as a gift or kept for their own special memorial. Special prices for replica bricks are as follows: 4x8 Bricks are $60.00 and 8x8 Bricks are $75.00. Brick orders will be placed twice during the year, with January 31 and June 30 deadlines for all orders. A replica brick order form can be found on our website.

The Community Park District, in conjunction with longtime resident Jack Ryder are compiling a list of names for all La Grange Park residents who were killed in action (KIA) during any of our Wars, so that we may properly honor them at the Veteran’s Memorial. We want to make sure that every La Grange Park resident who made the ultimate sacrifice for our country is honored with a brick. If you know of anyone who fits these criteria, please email Amanda Kennedy @ akenney@communityparkdistrict.org, or call the Park District office at 708-354-4580.
