

QUALIFIED SAFE MONEY MILLIONAIRE ADVISOR

Matt Linklater

Matt Linklater lives a passion for helping people accomplish their dreams by giving them a roadmap for success.

Matt has written two books – *Quick Witted* and *Counter Attack*. Matt reached best-selling author status and became a member of *National Academy Of Best-Selling Authors* for his work in *Counter Attack*.

Matt has also been featured in Inc. Magazine and been featured on ABC, NBC, CBS, and Fox.

With all of the economic turmoil in the markets, the country and around the world, it's more important than ever to keep your wealth safe and secure...but also growing.

Matt is engaged to Denise Wayman. Matt and Denise enjoy working out, traveling, reading, and are on a constant quest for self-improvement.

Matt and Denise are Certified Personal Coaches in NLP and TLT™.

Qualified Safe Money Millionaire™ Advisors have been through a training and testing process to ensure they can fully help you achieve your financial goals. It's important to use a trained Safe Money Millionaire advisor because if done incorrectly, you could lose out on some of the most important benefits of your plan.

Matt has worked with clients all over the country in helping them reach their personal and financial goals.

Most importantly, Matt's mission is to help you protect your money from the Wall Street Casino, and **build your wealth SAFELY and SECURELY**. Regardless of your financial situation Matt can help anyone can get on the **Path to become a Safe Money Millionaire** and sleep well at night.
