• **CCR Goal:** The intent behind CCR is that each student graduates from high school with the knowledge and skills to succeed in post-high school education and the workforce without the need for remediation.

• **CCR Indicators:**

<table>
<thead>
<tr>
<th>Indicator</th>
<th>Evidence</th>
</tr>

<tbody>
<tr>
<td>Benchmark score on any section of the ACT test (English=18, Reading=22, Math=22, Science=23)</td>
<td>Student Report; School Report</td>
</tr>
<tr>
<td>Qualifying score on an AP or IB exam.</td>
<td>Student Report; School Report</td>
</tr>
<tr>
<td>Approved transcripted college or postsecondary credit while in high school.</td>
<td>College Transcript (official); Official Grade Report</td>
</tr>
<tr>
<td>Benchmark level on the ACT WorkKeys (earn at least a 4 on each subtest; earning a silver certificate).</td>
<td>Student Report; School Report</td>
</tr>
<tr>
<td>Accepted for enlistment into the Military</td>
<td>Documented completion of Military Enlistment Processing Station (MEPS) evaluations are also acceptable. Appointments for MEPS are not sufficient.</td>
</tr>
<tr>
<td>Approved industry credential</td>
<td>The industrial credential link is: <a href="http://www.alsde.edu/sec/wfd">www.alsde.edu/sec/wfd</a></td>

• **CCR Calculation:** The college- and career-ready rate is based on the percentage of students from the total enrollment who met at least one of the college-and-career-ready indicators.

• **New CCR Process:**

  ✓ Cohort membership will continue to be determined by the Cohort application.

  ✓ The ALSDE will continue to do the initial pushout/upload the ACT, ACT WorkKeys, IB, and AP scores.

  ✓ Moving forward ALL credentials must be updated at the LEA/school level in INOW.

  ✓ The appropriate evidence must be kept in each student’s file at the LEA level.

  ✓ CCR nightly processes will no longer be tied to the Cohort Snapshot processing

  ✓ CCR nightly processes will run for all base year (starting with 2015/2018)

  ✓ A Certification Process added (only LEA CCR App Certifiers will view this process)

  ✓ EdDir positions have been refined.

  ✓ A random sampling will be conducted at the ALSDE and LEAs will be asked to submit the appropriate evidence to substantiate the information in the CCR portal.

New CCR Default View

- New CCR Grid View

- New CCR Certification Process: ONLY Authorized LEA CCR App Certifiers will see the Certification box to Certify their CCR data when the Certification Period is open for the selected year.

Key Takeaways:
- Moving forward ALL credentials must be updated at the LEA/school level in INOW.
- This includes ACT, ACT WorkKeys, IB, AP, military credential, approved industry credential, and college credit/dual enrollment. Keep record/evidence at the school level.
- The CCR data must be certified by the certification period.
- A random sampling of students in the CCR portal will be conducted by the ALSDE and selected LEAs/schools will be asked to submit said evidence.
