Debrief and Questions
Divorce is a Constitutional Right effectuated ONLY by resort to the Courts.
No difference in outcome with or without a lawyer

100%
Left Wondering: How many people Would Access our Courts If The Justice System Were more Accessible?
Is having a lawyer the only way to receive justice?
Or rather...

Are we communicating a value through procedure that we are not seeing communicated through policy as we’d like it to be?

...Is this ok?
