Reducing the Price of Justice

The Journey through Five States
Nationwide, we see the staggering impact of fines and fees on defendants who cannot afford them.
Fives states took varying approaches when trying to generate change.
...not to scale
What was your approach to solving the problem?

- State landscape
- How has your approach changed over time?
What was the biggest challenge you faced?
What has made (or will make) the biggest difference to your constituents?
If you could go back in time and do this all over again, what words of wisdom would you give yourself?
