A LEADERS’ TALANOA WITH PACIFIC YOUTH
All are welcome

Present and future Pacific Island leaders will engage in active talanoa to discuss how climate action efforts reflected in NDCs can ensure a resilient and sustainable future for Pacific Island communities.

Youths and leaders will provide their perspectives on how they can work together to ensure the implementation of ambitious NDCs that will result in real transformational change.

Join us for this exciting event!

The Hub is working in partnership with the Pacific Islands Climate Action Network (PICAN) to engage more actively with tomorrow’s leaders.
