Healthier Wigan Partnership is a partnership of health and care providers and commissioners bound together by an Alliance Agreement to deliver integrated health and care through the transformation out of hospital services, to improve the health outcomes of the population and ensure an affordable health care system in the future.

Key components:
- Integrated primary, community and in-reach secondary care services
- Scaled implementation of the Start Well offer
- Public health interventions wrapped around GP surgeries
- Increased prevention, early intervention and self help
- Shift of hospital activity (diagnostic and treatment) to community
- Parity of physical and mental health
- Place based bringing together a full range of public and voluntary sector services
- Asset based approach

‘We are working together to help people live healthy, happy and fulfilled lives’
Making it happen: it’s simple but profound

• Having a **different conversation**

• Staff **attitudes** and **behaviours**

• **Knowing your community** better

• Giving permission and **freedom to redesign** and **innovate**

• **Co-location** of teams and **partner agencies** in a place
