**Transport**

When coming to Ljubljana airport, you have several options to reach center of Ljubljana:

- Shuttle – GoOpti – click here (discounts on https://goo.gl/Wd1j3B) – costs around 9 euros, takes about 20-30 minutes, depending on the traffic;
- Taxi – costs 20 to 30 euros, takes about 20-30 minutes, depending on the traffic,
- Public bus – around 5 euros, takes about 1 hour to reach Ljubljana’s main bus station, then you would need to walk to your destination to the selected hotels.

However, if you find a cheaper flight on any other of the neighbouring airports, feel free to book a GoOpti transportation, as everything else takes too much time and cost more or less the same.

**Bus from Ljubljana Center (bus stations Pošta, Ajdovščina and Bavarski dvor)**

All participants will receive a free Ljubljana bus card upon registration (kindly donated by LPP – Ljubljanski potniški promet). Although the three official hotels are walking distance to the venue, you are able to use the busses 6, 11 and 14, which run every 5-7 minutes during the official times of the conference. The Conference venue station is Gospodarsko razstavišče and is just in front of the venue.
Walking

Walking distance to the venue from the three official hotels is less than 15 minutes. See below the directions to the Gospodarsko razstavišče venue.
