***Re: Initial Accreditation Denied – Final Action  
ACCET ID #1346***

Dear Mr. Law:

This letter is written to advise you that the denial of initial accreditation of CEL Educational Systems of Texas, Inc. by the Accrediting Commission of the Accrediting Council for Continuing Education and Training (ACCET) was affirmed by the ACCET Appeals Panel at the April 2, 2013 hearing and is now a final action. The Accrediting Commission denied initial accreditation to CEL Educational Systems of Texas, Inc. in its letter dated December 21, 2012, citing seven findings of non-compliance, along with specifying an opportunity to appeal the decision. The institution submitted its request to appeal and subsequently provided its appeals brief, dated February 15, 2013. Upon review of the institution's brief and consideration of its presentation at the April 2, 2013 hearing, the panel affirmed each of the Commission's findings, as referenced in the enclosed Decision of the Appeals Panel; therefore, the decision to deny initial accreditation to the institution is a final action.

Additionally, the Commission considered the institution's request for a special consideration to waive the required 12-month wait from the date of denial for the institution to reapply for accreditation. Upon review, the Commission voted to deny this request to allow the necessary time for the institution to come into full compliance before reapplying for accreditation.

As a closing note, the institution has the opportunity to provide a thoughtful and civil narrative to the Commission's action within 15 days of receipt of this letter. ACCET reserves the right to redact any inappropriate or inflammatory comments prior to posting the response on the website.

It remains our hope that the accreditation process has served to focus the institution's resources and commitment towards strengthening its operations through the systematic and effective implementation of policies and procedures that ensure the highest level of quality and integrity.

Sincerely,
