***Re: Initial Accreditation Denied
Final Action
ACCET ID #1374***

Dear Mr. Frail:

This letter is to inform you that the denial of initial accreditation by the Accrediting Commission of the Accrediting Council for Continuing Education & Training (ACCET) is now a final action. The Commission's action letter was sent to the institution by email and Federal Express on August 28, 2013 informing you of the decision to deny accreditation, along with a notation that this was not a final action, since the institution had the opportunity to appeal, in accordance with ACCET policy, if said appeal was received at this office within 15 days of receipt. No notice of intent to appeal was received as of the expiration date of that period on September 12, 2013; therefore, the available administrative remedies through the appeal process have been exhausted, and the Commission's action is final effective that date.

It is noted for the record that ACCET advises institutions in such cases that they may submit an official comment for posting on the ACCET website pertaining to the Commission's decision, provided it is received within 15 days of receipt of this letter. ACCET reserves the right to redact any inappropriate or inflammatory comments prior to posting the response.

The ACCET Commissioners and staff join me in wishing you well in your future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "William V. Larkin".

William V. Larkin, Ed.D.
