### Federal Funds from Five Key Census-Guided Programs

To ensure that each Connecticut community receives its fair share of federal funds, an accurate 2020 Census is necessary. So that communities can better understand the ways their federal program funds are guided by census data, this brief describes how funds from five key census-guided federal programs are allocated.

These five programs, and their associated FY 2017 funding in Connecticut, are:

**Title I Grants to Local Education Agencies**

**CFDA Number<sup>1</sup>:** 84.010

**Total:** \$129,480,136

**Community Development Block Grants (CDBG) – Entitlement Program**

**CFDA Number:** 14.218

This state uses a mix of counties and cities to define its Local Workforce Development Areas. Please review carefully to ensure you locate the correct area associated with your community.
