Federal Funds from Five Key Census-Guided Programs

To ensure that each Indiana community receives its fair share of federal funds, an accurate 2020 Census is necessary. So that communities can better understand the ways their federal program funds are guided by census data, this brief describes how funds from five key census-guided federal programs are allocated.

These five programs, and their associated FY 2017 funding in Indiana, are:

Title I Grants to Local Education Agencies

Total: \$263,062,019

Community Development Block Grants (CDBG) – Entitlement Program
