

## Missouri

### Federal Funds from Five Key Census-Guided Programs

To ensure that each Missouri community receives its fair share of federal funds, an accurate 2020 Census is necessary. So that communities can better understand the ways their federal program funds are guided by census data, this brief describes how funds from five key census-guided federal programs are allocated.

These five programs, and their associated FY 2017 funding in Missouri, are:

**Title I Grants to Local Education Agencies**

**CFDA Number<sup>1</sup>:** 84.010

**Total:** \$250,539,096

**Community Development Block Grants (CDBG) – Entitlement Program**

**CFDA Number:** 14.218

**Total:** \$36,390,402

**Workforce Innovation and Opportunity Act (WIOA)**

**Total:** \$15,481,591

**WIOA Youth Activities**

**CFDA Number:** 17.259

**Total:** \$12,538,238

**WIOA Adult Activities**

**CFDA Number:** 17.258

**Total:** \$1,487,895

**WIOA Dislocated Worker Program**

**CFDA Number:** 17.278

**Total:** \$1,455,458

To learn more about each program’s purpose, uses, allocation formulas, census-derived datasets, and vulnerabilities to a miscount, please refer to the cover brief for this data, “The Distribution of Census-Guided Federal Funds to U.S. Communities: Five Program Examples” at [pogo.org/census-project](http://pogo.org/census-project).

This data is provided by the Project On Government Oversight in partnership with the George Washington Institute of Public Policy at The George Washington University. For further information, please contact Sean Moulton at [smoulton@pogo.org](mailto:smoulton@pogo.org) or Andrew Reamer at [areamer@gwu.edu](mailto:areamer@gwu.edu).

---

<sup>1</sup> The program numbers are from the Catalog of Federal Domestic Assistance (CFDA).
