

A design centric grooming company
for a head shaving razor brand

“Our customers look to us for the most advanced design and dynamic range of products in the same way as we look to ShopSocially to help us create more users that become raving fans and brand ambassadors. My team is very pleased that we are making headlines after tracking a 60% active customer conversion rate with the Loyalty Program.”

- Todd Greene, Founder at HeadBlade

Objective:

ENAGAGE CUSTOMERS AT EVERY TOUCH POINT TO DRIVE REPEAT SALES

- Impressive 60% conversion rate for customers who interacted with the rewards program
- Loyalty users spend 31% more than non-loyalty users
- 22% increase in average order value for loyalty program users
- Increased level of repeat purchases from loyalty users

CONVERT SITE VISITORS INTO LOYAL CUSTOMERS

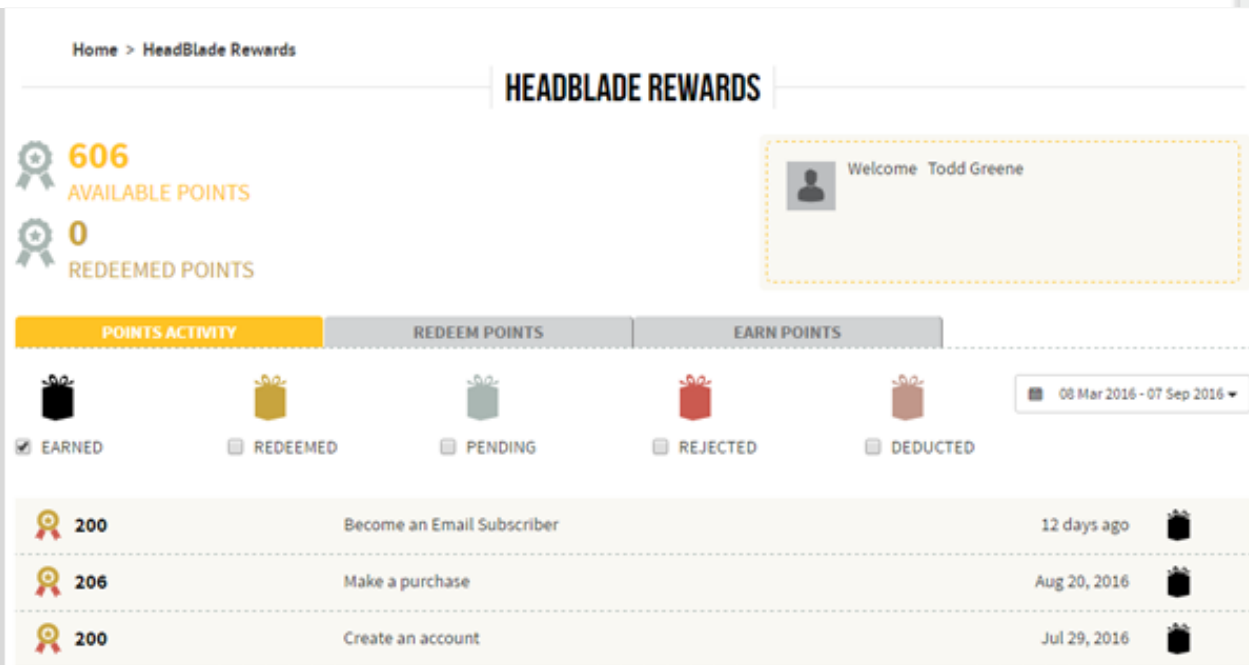

METHODOLOGY

[HeadBlade](#), a design centric grooming company for a head shave razor brand was looking to actively engage its site visitors at every touch point and turn them into loyal raving fans to boost repeat sales. In order to increase customer retention and to enhance engagement, HeadBlade implemented ShopSocially's 360 degree [customer loyalty app](#) on its website and launched its HeadBlade Rewards Program.

By implementing the 360 degree engagement model on it's website that mirrored the interaction paradigm of it's shoppers, loyalty users converted at an impressive 60% rate compared to 16% rate for non-loyalty users. The loyalty program also highlighted that the customers who actively engaged with the loyalty program spent 31% more than the non-loyalty users and displayed an impressive 22% increase in average order value (AOV).

RESULTS

- Impressive conversion rate of 60% for loyalty users
- Loyalty users spend 31% more than the inactive customers
- Achieved 22% increase in average order value (AOV) for loyalty program users

The screenshot displays the 'HEADBLADE REWARDS' dashboard. At the top, it shows 'Home > HeadBlade Rewards'. The main section features a '606 AVAILABLE POINTS' counter and a '0 REDEEMED POINTS' counter. Below this is a 'POINTS ACTIVITY' section with tabs for 'REDEEM POINTS' and 'EARN POINTS'. The 'EARN POINTS' tab is active, showing a list of activities with their respective point values and dates. A 'Welcome Todd Greene' message is visible in the top right corner.

BOOST REPEAT SALES

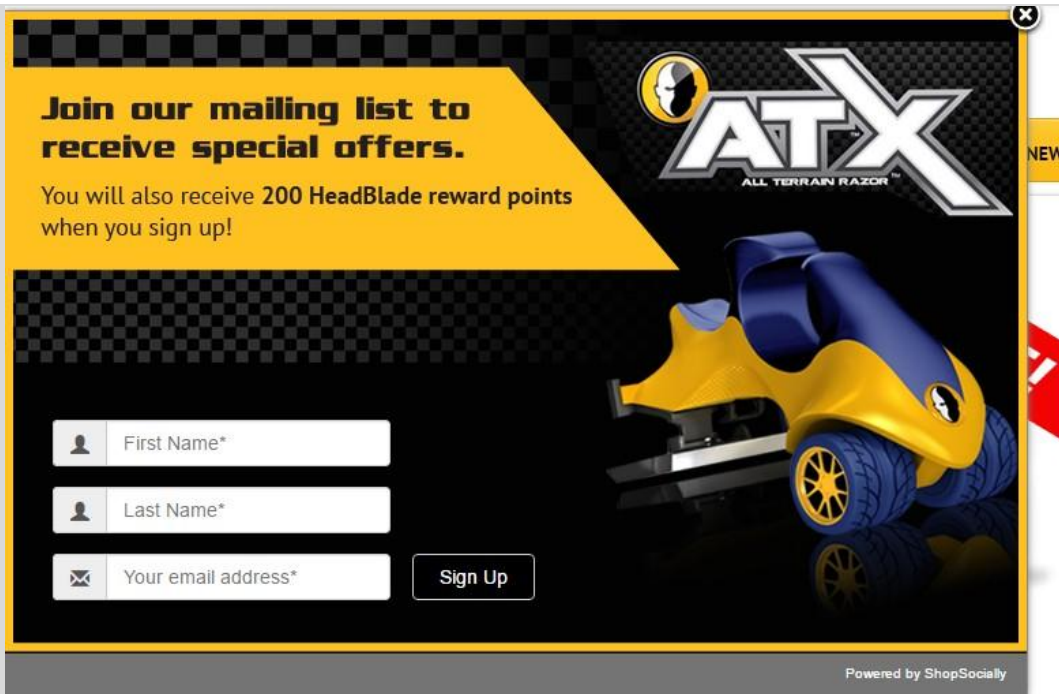

METHODOLOGY

The 360 degree engagement model of the loyalty program assisted the brand to engage with the customers at a spectrum of touch points and rewarded them not only for purchase but a host of other activities such as referrals, new account creation, following the brand on Twitter, subscribing to the email program etc. In addition, the brand offered several exciting and motivating rewards in lieu of loyalty points like key chains, messenger bags, wallets and gift cards.

By embedding ShopSocially's [get-an-email app](#), HeadBlade also converted it's website visitors into email subscribers. HeadBlade offered it's visitors with 200 reward points in exchange for becoming members of the email subscription program.

RESULTS

- Uplift in customer engagement and retention
- Got 1000s of high quality email subscribers

BOOST PURCHASES ON THE WEBSITE THROUGH WORD OF MOUTH PROMOTIONS

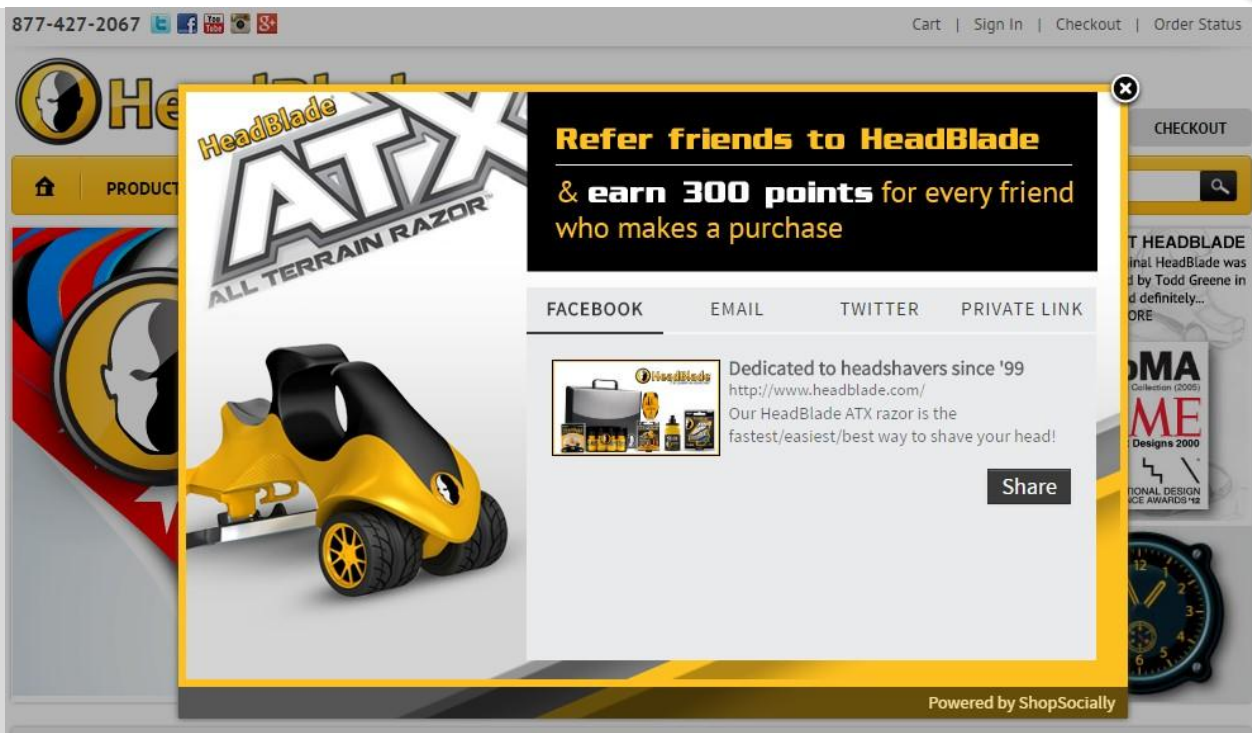

METHODOLOGY

HeadBlade offered reward points for several customer interactions on site and promoted the loyalty program on homepage and several other site pages. HeadBlade embedded ShopSocially's [refer-a-friend app](#) on its website and encouraged users to refer the brand via email, Facebook, Twitter etc. HeadBlade offered visitors with an exciting offer of earning 300 reward points for every friend who makes a purchase on the website. The intuitive interface allowed customers to easily refer the brand to their friends and family and drive high quality referral traffic to HeadBlade's website.

HeadBlade Rewards Program is helping HeadBlade not only boost its referral sales but also improving the life time value of its customers leading to an impressive 60% conversion rate for its loyalty users.

RESULTS

- Achieved brand virality through word of mouth promotions
- Got high quality traffic on the website through referrals via social channels
