FAMILY CODING NIGHT

PRESENTED BY unruly STUDIOS

WED, FEB 28th
6:30 PM ET

Family night is about to get Unruly with...

COMPUTER CODING!

(Yes, you read that right!)

Unruly Studios, the makers of Unruly Splats, is bringing coding right into your living room with a night of collaborative games focused on family and creativity.

This is a chance for your child to show you their computer science skills and share the joy of STEM learning ! No coding experience? No problem!

REGISTER

SCAN THE QR CODE OR VISIT bit.ly/421qTH7 TO REGISTER

Registrants will receive an email confirmation from Zoom with the webinar link. No Zoom account required!

WHAT YOU NEED

- A computer, internet access, and a ready-to-learn, Unruly attitude
- **USING A DESKTOP, LAPTOP, OR CHROMEBOOK?** Join the webinar, play, watch, **AND CODE!**
- **USING A SMARTPHONE OR A TABLET?** Join the webinar, play, and watch! (Direct coding not available on smartphones or tablets)
- The event will feature closed captioning in Spanish and a Spanish speaking facilitator to answer questions in the webinar chat.

ABOUT UNRULY STUDIOS

Unruly Studios is the creator of Unruly Splats, the first STEM learning tool that combines coding with active play. Our vision is to create an electronic playground that makes learning more playful, collaborative, and inclusive.

P.S. We're in our math era!
