# SPLAT TANK! 🦈

## *HOUR OF CODE® 2023 WITH UNRULY STUDIOS*

Calling all creators, coders, and future entrepreneurs! **Do YOU have what it takes to be Unruly's next great game inventor?**

In celebration of Computer Science Week this year, imagine your students designing their very own Unruly games, then pitching their creations to a panel of Splat Sharks through short video submissions. **The goal?** Securing an investment that will catapult their game into the Unruly App! If a Splat Shark invests in your game, a donation will be made on your school's behalf to the Jonathan Jones Next Step Foundation to combat hunger & food insecurity❣️

Unlock creativity, collaboration, and coding for a cause as your students develop games that will make a real splash of an impact on schools, teachers, and students

### 🐟WHAT IS THIS EVENT?

3-week asynchronous event to code, pitch, and propel your Unruly game to victory!

### 🌍WHO IS THIS EVENT FOR?

Unruly Schools all across the US and Canada

### 🗓️ WHEN DOES THIS EVENT TAKE PLACE?

**Week 1 (Nov 27-Dec 1): Ideate & code your Unruly game 👩‍💻**

**Week 2 (Dec 4-8): Develop & perfect your pitch 🎤**

**Week 3 (Dec 11-15): Record & submit your pitch to Splat Sharks 📸**

### 🏆 CATEGORY WINNERS

Schools can submit games & pitches for grade level categories! First place winners will have a charity donation made in their school's name to Jonathan Jones Next Step Foundation

🍎Kindergarten - 2nd grade
📝3rd grade - 5th grade
📚6th grade - 8th grade

### 🎉PRIZES

A charity donation made in your school's name, a one of a kind Unruly trophy & banner, and other Splat-tastic prizes!

### ✔️ RULES & REQUIREMENTS (RUBRIC COMING SOON!)

- All pitches must feature Splats or the Unruly App
- Pitches should be no longer than four minutes
- Limit 6 submissions per school
