CYBERSECURITY

[Neopets Breach Affects 69M Users](#)

What is [Neopets](#), you ask? It is a virtual pet website that gives members the ability to “own, raise, and play games with their virtual pets.” According to BleepingComputer, Neopets has experienced a data breach which has exposed the data of up to 69 million Neopets users. This is not an issue when you own, raise and play games with a real pet! [Read more](#)

DRONES

[New Survey Shows that Americans are Ready for More Deliveries by Drone](#)

Auterion, a drone software company, commissioned a survey from the market research company, Propeller Insights, of 1,022 adults. The survey was gender-balanced and distributed across age groups from 18 to 65+, living in rural, suburban, and city environments in the United States, and was conducted in May 2022. [Read more](#)

PRIVACY TIP #338

[Be Aware of Apps Infected with Malware](#)

Like all technology, mobile apps can be infected with malicious code, or malware, which is intended to gain access to your mobile phone when you download the app. This week’s Privacy Tip reviews and reminds us what to look for when downloading and using mobile apps. [Read more](#)
