THOUGHT FOR THE WEEK

slow poke – Rev. Thom Shuman © 2011

a dawdler by nature, a straggler by avocation, i could manage to lose a race to a pro- crastinator;	me-lingering through life, i barely can find the energy to get up and do nothing constructively; strolling down the street,	stopping at the outdoor cafe at the corner of apathy and inert, i while away my hours, making a cup of expresslow last all afternoon;	but immediately? immediately! that's the scariest word in the Book.
