

FTA Federally-Funded Maintenance Schedule for 12-Passenger Van

VIN# _____ Make _____ Model _____ Year _____ Other _____

Manufactured Scheduled Service Miles 7,500

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles 15,000

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles 22,500

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles 30,000

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles 37,500

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles 45,000

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	<input type="checkbox"/>	4) Inspect evaporative control system	<input type="checkbox"/>	5) Replace engine air cleaner filter
Actual Miles:											

Manufactured Scheduled Service Miles 52,500

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

FTA Federally-Funded Maintenance Schedule for 12-Passenger Van (Cont'd)

VIN# _____ Make _____ Model _____ Year _____ Other _____

Manufactured Scheduled Service Miles **60,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles **67,500**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles **75,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles **82,500**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage
Actual Miles:							

Manufactured Scheduled Service Miles **90,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	<input type="checkbox"/>	4) Inspect evaporative control system	<input type="checkbox"/>	5) Replace engine air cleaner filter
Actual Miles:											

Manufactured Scheduled Service Miles **97,500**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	<input type="checkbox"/>	4) Replace spark plugs. Inspect spark plug wires
Actual Miles:									

FTA Federally-Funded Maintenance Schedule for 12-Passenger Van (Cont'd)

VIN# _____ Make _____ Model _____ Year _____ Other _____

Manufactured Scheduled Service Miles **105,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	
Actual Miles:								

Manufactured Scheduled Service Miles **112,500**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	
Actual Miles:								

Manufactured Scheduled Service Miles **120,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	
Actual Miles:								

Manufactured Scheduled Service Miles **127,500**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	
Actual Miles:								

Manufactured Scheduled Service Miles **135,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	<input type="checkbox"/>	4) Inspect evaporative control system	<input type="checkbox"/>	5) Replace engine air cleaner filter
Actual Miles:											

Manufactured Scheduled Service Miles **142,500**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	
Actual Miles:								

Manufactured Scheduled Service Miles **150,000**

Date Serviced:		<input type="checkbox"/>	1) Change engine oil, replace filter	<input type="checkbox"/>	2) Rotate tires per manufacture specifications	<input type="checkbox"/>	3) Lubricate the steering linkage	<input type="checkbox"/>	4) Inspect evaporative control system	<input type="checkbox"/>	5) Replace engine air cleaner filter
Actual Miles:		<input type="checkbox"/>	6) Change automatic transmission fluid. Change filter if serviceable	<input type="checkbox"/>	7) Transfer case fluid, if equipped with AWD	<input type="checkbox"/>	8) Drain and fill engine coolant system	<input type="checkbox"/>	9) Visually inspect accessory drive belts	<input type="checkbox"/>	10) Replace brake fluid
