

## Welcome to the MASTERPIECE<sup>SM</sup> season! Here is some information to help you get started:

### What is FIRST<sup>®</sup> LEGO<sup>®</sup> League Discover?

FIRST LEGO League Discover is one of three divisions by age group of the FIRST<sup>®</sup> LEGO<sup>®</sup> League program and serves the youngest children. Ages 4-6. This program inspires young people to experiment and grow their confidence, critical thinking, and design skills through hands-on learning. FIRST LEGO League was created through an alliance between FIRST<sup>®</sup> and LEGO<sup>®</sup> Education.

### Season Theme: Lights, Camera, STEAM!

During the 2023-2024 FIRST season, [FIRST<sup>®</sup> IN SHOW<sup>SM</sup> presented by Qualcomm](#), the future is yours to create! The FIRST LEGO League challenge is called MASTERPIECE<sup>SM</sup>. Children will learn about the role science, technology, engineering, and math (STEM) plays in the arts and will imagine and innovate new ways to create and communicate art across the globe.

### What You Will Receive

As part of your FIRST LEGO League Discover Class Pack registration, you will receive:

- Discover Set
- Team Meeting Guide
- Engineering Notebooks

Read the *Team Meeting Guide* and *Engineering Notebook* to gain an understanding of the season and what you will need to prepare.

### Helpful Resources

For important information and helpful documents visit our [Season Resources](#) page for:

- Season videos
- Multimedia Resources
- Certificates

At the end of their experience, all teams should participate in a celebration event. The children will love sharing with others what they have built and learned. It could be held in your usual session meeting space, a classroom, a library, or anywhere else that has appropriate room for the teams to spread out, build, and have fun.

Be sure to also check out the **Class Pack Guide**, which you should have received when you registered for a Class Pack.

### Good luck, and have fun! The future is yours to create!
