

Signs of Spring Contest 2019

DODGE
NATURE CENTER

If you're not into basketball's March Madness, then give Dodge Nature Center's Signs of Spring Contest a try. Starting on March 10 and running through the end of meteorological spring on May 31, the nature center staff will track the return of migrating animals and the re-emergence of hibernating critters and dormant plants. What makes it a contest is that you have the opportunity to see how well you can predict when it each event will happen! Prizes will be awarded to the three individuals with the most correct guesses. See the website for details.

To participate, look over the list of events in the table. Place an "X" or checkmark in the box of the week you think the sighting/event will occur on Dodge's Main Property. Dodge naturalists will determine the actual dates of the events/sightings. Weekly emails will keep you up-to-date on sightings.

Email your entry to troot@dodgenaturecenter.org or mail the form to

Teresa Root

365 Marie Avenue West

West St. Paul, MN 55118

Entries will be due by 4 p.m. on Monday, March 11, 2019.
