AXES AND ARROWS

Axes and arrows flying through the air, with your steady hand, targets beware. You will learn how to throw an axe and how to release an arrow. You'll make and take home your very own bow. Additional materials fee \$5.

FARM FUN

Lend a hand with farm chores, collecting eggs, and feeding the animals. Holding chickens, playing old-time games and jumping in the hay is some of the fun planned for our farmers.

IN THE MAPLE WOODS

Help collect the sap and get the fire going to boil it down into syrup and sugar. Stories and snacks by the campfire, games in the woods and sweet treats are all part of your day in the maple woods.

PUDDLE STOMP

Bring your boots for a Spring Break adventure in the puddles, ponds, and streams of Dodge. Crack the ice and find which creatures are making the water their home.

LUMBERJACK CAMP

Experience the life of the famous loggers of Minnesota's forests. Play lumberjack games, eat delicious lumberjack food, and use some of the tools these hardworking folks knew so well. Red flannel shirts are highly encouraged!

ROCK ON!

Have fun exploring the geology of Minnesota as we learn about the types of rock beneath our feet. Go on an agate hunt, check out ancient fossils, mine clay, play rock games and use the tools of a geologist.

WELCOME BACK WILDLIFE

Discover the animals of Dodge as they emerge from hibernation, return from migration, or are simply getting ready for Spring.
