

Portable Dog Pooper Scooper with Bags

Foldable dog poop scooper is portable and lightweight poop scooper comes with a built-in bag compartment and a leash clip. For even faster clean-up, set up your [dog poop scooper](#) (put a couple of bags on it) before leaving for a walk, so it is ready to use right away. Our dog poop scooper with bags is available in Medium and Large sizes. The extendable backside adds additional capacity without making it bulky and heavy.

Our [pooper scooper for dogs](#) contains a bag dispenser, cleaning up pet's messes without using your hands. And we give away a roll of dog poop bags. Our scoopers are going to be easier to store than others. It has a hook that you could use to hang it. Easy and completely, life-changing, cleaning up after your pet waste will never be the same.

[Portable Dog Pooper Scooper](#) is the ideal tool when walking your dog. [Dog poop scooper](#) light, portable, clips onto your belt and is easy to carry. Made of high quality, lightweight, non-stick plastic. The jaws are controlled by two high-pressure springs for powerful and precise clamping control.

Our poop scooper for dogs comes with two sizes and both are very lightweight. Medium is for small and medium breeds and uses standard-size poop bags, while large is for larger breeds and requires larger bags. It comes in light gray or neon green. Regular plastic grocery bags also work for both scoopers. However, because it has no teeth, it can be harder to use in grass.

Main features of Portable dog pooper scooper

High-tech portable design - Small size, large capacity, light weight. Easy to store in a bag or hang on pants or dog chains with carabiner/clip to free your hands. You don't have to hold it with your hands and you won't forget to take it away. It is very suitable for you who often take pets out. Choose to reduce carrying space.

Expandable -The back can be adjusted in size so you can scoop it all out and pick up dog poop at one time. It is suitable for small and medium-sized pets. There is also a storage room with a bag for storing dog poop bags, and an extra 30 dogs Poop bags and a poop hands-free clip, no longer have to carry feces in your hand. Reduce the embarrassment of meeting acquaintances.

Ergonomic and comfortable design - One-handed operation, easy to use, easy to press the handle with one hand, to ensure that you can easily scoop and take action. Keep you away from all the mess and smell, just put the bag into the toilet picker, and then wrap it outside. You can remove feces and waste from any surface without using your hands. Make its operation simple and convenient, quickly and easily eliminate the annoying part of the work.

High-quality materials and wide use - High-quality environmentally friendly materials, light in weight. Not fragile, strong and durable, easy to wash ,Wide range of uses: grass, concrete, gravel.
