BUFFALO™

PERFORMANCE MATTERS

ULTRA COMPACT
N150 WIRELESS USB ADAPTER

Buffalo's AirStation™ N150 Ultra-Compact USB 2.0 Wireless Adapter WLI-UC-GNM offers ultra small portable high-speed wireless connectivity to your Windows® laptop or desktop through an available USB port. With faster wireless data rates and greater coverage than legacy 802.11 products, WLI-UC-GNM provides better performance than many PCs' internal wireless card. This wireless client offers sufficient bandwidth and range to stream video, voice, and music. Support for Buffalo's AirStation One-Touch Secure System (AOSS™) and WPS allows you to set up a high-speed, secure wireless network within minutes. The ultra compact size blends in to have minimal visual impact on your notebook or desktop.

FEATURES

ULTRA COMPACT DESIGN
AirStation™ N150 Wireless USB Adapter connects your desktop or laptop computer to your wireless network and its slim and compact form easily blends in with the computer's surface. Its ultra compact design is perfect for use with laptop and netbook computers and is ideal for users on the go.

WIRELESS SECURITY
AirStation™ N150 Wireless USB Adapter features multi-level wireless encryption options to prevent unauthorized access and protect your important data.
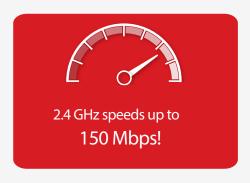

• WPA2, WPA-PSK (AES, TKIP), 128/64-bit WEP

• AOSS and WPS push button setup options automatically configure a secure wireless connection

COMPATIBILITY
Easily upgrade your wireless connectivity from previous wireless standards and maintain compatibility with existing devices. AirStation™ N150 Wireless USB Adapter is fully backward compatible with 11g for ease of use and added convenience.

FAST WIRELESS CONNECTIVITY
With speeds up to 150 Mbps, AirStation™ N150 Wireless USB Adapter provides a fast wireless connection perfect for emailing and surfing the Web, downloading your favorite music and sharing pictures with friends and family. Easily add fast wireless connectivity to your computers or upgrade from old Wireless-G and enjoy improved wireless speed and range.

EASY SETUP
AirStation™ N150 Wireless USB Adapter easily plugs in to any available USB port on your desktop or laptop computer and connects to your wireless network. Setup is simple: use the helpful Web interface to walk you through configuration and connect in minutes. AirStation™ N150 Wireless USB Adapter also supports Buffalo AOSS and WPS for push-button connection. No drivers or software installation required!
