

V7 MULTIMEDIA USB KEYBOARD COMBO

The V7 Multimedia Keyboard and Mouse Combination is an elegant, yet durable, keyboard and high-definition mouse that brings comfort, style and simplicity to your desktop. It features 11 one-touch hot keys for an easier method of navigating particular applications as well as giving you quicker access to software program features not visible otherwise. Feel comfortable with your drink around this multimedia keyboard with its spill-resistant design drains for accidental spills.

The low profile, quiet keyboard accentuates a soft-touch for more comfortable typing. An 1000-dpi contoured full-size optical mouse connects instantly with accurate cursor control, precise tracking and maximum wireless freedom. This multimedia keyboard and mouse combination adds dynamic features to your desktop.
