RUMBA™ LECTERN

The Rumba™ Height Adjustable Lecterns feature clear polycarbonate side panels that extend from the center of the aluminum column, providing the speaker with a modesty panel while presenting a slender, trendy look. An integrated LED reading light aids presentations in low light settings. The 10" height adjustable presentation platform opens to store materials and adjusts easily with a lift and slide mechanism for quick adjustments between speakers. Built-in casters provide easy mobility.

*It's your day.
Dance through it.*

Add a little bit of rhythm to your workspace.

ChaCha™

Accent any space by moving to a rhythm that's all your own. The Cha-Cha™ Tables offer a multitude of stylish options to give every working environment its own personality. Choose from the tall and elegant bistro table (42"H), or the slim and sleek sitting height table (29"H). Continue to configure with two base options. Add intrigue with an X-Style Base, or select the smooth curves of the Trumpet Base. X-Style Base features leg levelers to ensure your table doesn't wobble on uneven surfaces. The base comes in Silver, Black and Tan. And the choice is yours with three different sizes and two different shapes for your table top! All tops are one-inch, high-pressure laminate with 20 color options along with your choice of Gray, Black or Tan 3mm vinyl, T-molded edging.

Create a choice movement.
