

## 6in Latching Round SATA Cable

Product ID: LSATARND6

The LSATARND6 6-inch latching round SATA cable is a high quality SATA 6Gbps cable that features a rounded design to help improve airflow inside a computer or server case by providing less resistance as air passes around the cable, in turn helping to ensure optimal cooling for optimized system performance.

This durable cable also features latching connectors, which lock when connected to a supporting (latchable) SATA port to, ensuring a snug, secured data connection every time to prevent accidental disconnects.

Backed by Lifetime Warranty.

### **Certifications, Reports and Compatibility**

### **Applications**

- Connecting servers, SATA drive arrays and storage subsystems
- Use in Small Form Factor computers
- Compatible with Serial ATA Hard Drives, CD-RW, DVDs, and other devices

### **Features**

- Round cable with straight latching connections
- Supports fast data transfer rates of up to 6 Gbps when used with SATA 3.0 compliant drives
- Compliant with SATA 6Gb/s Specifications
