## Product Description

With so many 10-inch tablets available in the market, finding a keyboard case that's versatile enough to fit all the slight dimension changes is more important than ever. That's why we developed the KeyFolio Fit for tablets running Windows®. A silicone 4-corner base uses stay straps to securely keep the tablet in place. The integrated keyboard syncs fast to your tablet through a Bluetooth® connection and offers 6 rows of high-performance scissor keys so you can type with optimal productivity. Soft interior lining keeps your tablet protected from scratches and damage, and a magnetic flap keeps the case securely closed when you're on the go.

## Features

- Integrated Bluetooth® keyboard with 6 rows of high-performance scissor keys
- Soft, lightweight case securely holds 9" and 10" tablets
- Silicone 4-Corner Base uses stay straps that come up and over the tablet
- Soft interior lining helps protect your device from getting scratched
- Magnetic flap securely closes folio
- Unobstructed access to charging port and front camera
