

BlackBelt 2nd Degree Rugged Case for iPad Air — Black

Extreme Tablet Protection That's Easy to Hold

K97065US

Product Description

Accidents happen, and someday your iPad Air is probably going to get dropped. That's why Kensington made the BlackBelt 2nd Degree Rugged Case. By surrounding your iPad Air in a strong, cushioned rubber layer, it can survive drops and bumps because it offers premium shock absorption. It also features a built-in hand strap, multi-position stand and a screen protector.

Features

- Strong, cushioned rubber layer over a polycarbonate X-frame is designed to meet military-grade MIL-STF-810GG testing protocols for all-around protection against drops
- Built-in hand strap reduces chances of accidental drops
- Multi-position stand for optimized viewing
- Raised bezel and screen protector prevent scratches
- Rubberized texture makes it easy to grip and prevents it from sliding off table
- 20mm thickness fits into Charging Carts
- Unobstructed port openings for quick access to controls, cameras and connectors
