Take your gaming to the next level with the Professional Mechanical Gaming Keyboard from V7. Featuring Outemu mechanical switches for the ultimate in key response and high-performance functionality. Play for hours with the ergonomic design of the keys, plus the keys are designed to be spill-proof and are built with silicone cups under the keys for maximum protection. Additionally, the keyboard features Windows key locking functionality so you won't accidentally toggle screens while in the heat of a game – a must have for serious game play. The V7 Professional Mechanical Gaming Keyboard is designed by pro-gamers for gamers.
