S19E450BW

19" desktop monitor

Samsung SE450 Series desktop monitors are all about greater business value. Case in point: the Samsung S19E450BW. A value monitor ideal for everyday tasks, it features a 16:10 widescreen aspect ratio, providing lots of room for working with multiple applications simultaneously. It also features approximately 30% recycled material, less than 0.005W Off Mode power consumption, and a fully adjustable stand, all at a reasonable cost. It's the perfect professional monitor where desk space is limited, or when deploying multiple external monitors in call-centers or back-office environments. A low-glare commercial-grade TN panel, VGA and DVI connections, a matte black bezel with clearly labeled buttons, speaker bar compatibility, VESA mount compatibility and a 3-year warranty round out the features. The Samsung S19E450BW. Economically beautiful, through and through.

Key features

16:10 widescreen aspect ratio

The S19E450BW features a 16:10 aspect ratio, for lots of room to work with multiple open applications simultaneously.

Environmentally friendly

Industry-leading features include approximately 30% recycled material, less than 0.005W Off Mode power consumption, Eco features to reduce power consumption when monitor is in use, and fully recyclable packaging.

Impressive picture quality

The LED-backlit LCD screen delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers improved color even when viewed off-angle.

Slim design that fits any desk

The sleek, stylish design and low-profile stand take up less desk space and contribute to a cleaner-looking office. The built-in cable management feature also contributes to a clutter-free work environment.

Ergonomic, adjustable stand

The monitor swivels, tilts, pivots and is height-adjustable, for greater user comfort. And since the monitor is VESA compatible, installation on a wall or separate mounting arm is easy.

Fast, easy connectivity

VGA and DVI give users their choice of easy connectivity.

Easy on the eyes

When Eye Saver Mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker-free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

Speaker bar ready

The Samsung SPU10 (sold separately) is designed to be attached seamlessly to compatible Samsung monitors, with no additional cords or cables. It adds rich stereo sound without taking up an inch of desk space.
