

Photo Album for Newton, NH

Job # 29228

W/O # 19380244

February 19, 2016

Your new Pierce apparatus is now in production at the Bradenton, FL facility. The chassis has arrived and has had the cab painting process completed. This week the lower body modules began weld-up and fabrication. Next week the chassis should remain in staging, the pump house structure could begin fabrication and the lower body modules should begin the paint process.
