The background is a collage of three images related to firefighting. The top image shows a firefighter in a white helmet with the number '19' and a red jacket, holding a hose. The middle image shows a red fire truck with 'FIRE RESCUE' written on its side. The bottom image shows two firefighters in yellow protective gear standing near a fire.

Job 29129

December 4, 2015

This week the cab finished in paint and began on the cab line where cab related content is installed. The pump arrived and had valves installed. The body began fabrication. Next week the cab should continue assembly while the chassis may begin assembly. The pump plumbing/chassis cooling structure is scheduled to begin fabrication. The body should begin the paint process in metal finishing.
