

The background is a collage of firefighting-related images. At the top left, a firefighter in a white helmet and jacket is shown. To the right, a red fire truck with 'FIRE-RESCUE' written on its side is visible. Below the truck, there's a scene of firefighters in yellow gear fighting a fire, with a large fireball and flames on the right side.

Photo Album for Yarmouth, MA Job 28904 October 9, 2015

Your new Pierce apparatus is now in production. This month the commercial chassis arrived. This week the commercial chassis was offsite while the body began fabrication. Next week preparations are scheduled to begin on the chassis to prepare it for fire and rescue apparatus use. The body side panels may be installed.
