Dear Joel,

I just wanted you to know how pleased I am with my little, black Beetle! Yesterday, I put it in a local car storage place for the winter, and will look forward to spring time and having more fun driving it around.

Thanks to you and Preston, my purchasing experience was most enjoyable! My husband and I are most impressed with

the top-notch dealership that you've established. We appreciate the integrity and willingness to go "above and beyond" for your clients!

Joel, we also enjoyed our chats with you and learning about your interesting life experiences. Thank you for sharing!

Best wishes for the upcoming holidays,

Dear friends at Select Eurocars:

I've just returned from a long drive through New England and am happy to report my 2019 Alltrack is running like new. Acceleration is fantastic, the engine runs smoother than ever, and the gas mileage is back to 32 mpg. Magnificent!

Thanks for your patience with me, your fine communication skills, your expertise in defining the engine issues, and your skilled/expert mechanics in bringing my VW back to life.

As always, working with you all was delightful.

Cheers,

Dear

Joel,

On June 28, 2025, Finger Lakes Conservation Club (FLCC) hosted the 22st Annual Free Kids' Fishing Day. We would like to take this opportunity to thank all of our sponsors for their help in making this year's derby such a great success.

The Kids' Fishing Day is held in conjunction with New York State's free fishing weekend. This enables parents and guardians the opportunity to take a child fishing without the requirement of a NYS license. The youth fishing day is presented by FLCC free of charge to promote fishing as a family activity. 159 children registered for this year's kids fishing day, making it a huge success again this year.

All of the children proudly took home a new Zebco 202 combination rod, reel and tackle kits. Individual pictures were taken and certificates were given to the children for memories of the fun day they enjoyed. After fishing in the morning, a BBQ lunch and refreshments were enjoyed by all. The laughter and smiles seen all day on the children's faces was a true indicator of the fun had by all.

The membership of Finger Lakes Conservation Club is proud to be able to host this event each year. We truly believe that by exposing children to this outdoor activity they will carry it with them to enjoy for a lifetime. It would not have been such a great success without the support of our sponsors and we thank you very much for your generosity

Dear Joel,

On behalf of the Seneca County Chamber of Commerce, we would like to extend our most sincere gratitude for your generous support of the Chamber's 54th Annual Dinner Meeting and Community Awards celebration.

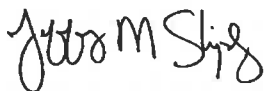

This year's sold-out event was held on January 19 at Ventosa Vineyards. It was a testament to the strength and resilience of the Seneca County Chamber business community. Our Chamber presented three community awards as follows: Business of the Year (del Lago Resort & Casino), Community Improvement Project/Initiative (United Way of Seneca County) and Business Person of the Year (Casey B. Galloway). I would encourage you to visit the Chamber's Facebook page to watch brief video presentations on each award winner for more information.

In addition to recognition at the event and local media coverage, the Chamber has also used the power of our social media channels to highlight all event contributors and donors such as your organization.

As you may know, in addition to being our largest membership event of the year, the Annual Dinner Meeting is also our Chamber's biggest fundraiser. Proceeds from the event are used by the Chamber to carry out its mission to be the leading advocate for business growth and development in the Finger Lakes Region.

Your continuing support means everything to us -- and it has been noticed by the greater Chamber community. Thank you for helping us achieve success. We look forward to working with you in the future!

Dear Joel & Jan,

The Seneca County Chamber of Commerce would like to extend its most sincere gratitude for your generosity and support of the Chamber's 2023 Annual Golf Tournament held on August 16th at Silver Creek Golf Club. Thank you so much for your donation to our prize table for the tournament.

Once again, this tournament realized significant accomplishments, and it continues to be among the largest events of its kind in the area. We were delighted to have a sold-out tournament this year with 32 4-person teams, providing maximum exposure and awareness for local organizations such as your own.

As our second largest fundraiser for our Chamber community following the Annual Dinner, we want to stress the significance of your contribution to helping us achieve success. Your support is directly responsible for helping the Chamber generate necessary resources to help move the Discover Seneca economy forward through leadership and influence.

Remember to mark your calendar for next year's Golf Tournament to be held in August 2024. We anticipate another sold-out tournament next year, so do not delay registering as soon as notices are mailed! Date is subject to change.

Once again, we greatly appreciate your involvement with the Seneca County Chamber of Commerce and look forward to working with you in the future.

Sincerely,
