## NGOKUNGESIYONA

### INTANDO YAKHE

Sisamile nje okwesikhashana ukuba sikhuleke. Ake sikhothamise amakhanda ethu.

Nkosi, siyathokoza namuhla ekuseni ukubuyela endlini kaNkulunkulu kwenye inkonzo. Siyakhuleka Nkulunkulu ukuba Uzosiqondisa ekuseni nje kukho konke ukweduka kwethu. Sikhombise izindlela ozimisileyo ukuba sihambe ngazo, siphe umusa wakho nothando, ukuze silandele lezondlela nemiyalo ngenhliziyo yethu yonke, ukuze ngalolosuku sifunyanwe sikuKristu, singenasici, ngokuba siyakholwa, Nkosi, ukuthi ukubuya kwaKhe sekuseduze.

<sup>2</sup> Sibona zonke izibonakaliso Athe ziyokwenzeka phambi kokufika kwaKhe manje ziyagcwaliseka. Ngokuthokoza silangazelela lowomzuzu. NjengoAbrahama wasendulo walangazelela indodana yesethembiso, ebona lezozibonakaliso zokugcina zikaNkulunkulu zehlela emhlabeni, khona-ke waqonda ukuba akusekude indodana ifike. Namanje, sibona kuphinde kwenzeka futhi. UJesu wasitshela ukuthi uma lezozinto sezigcwaliseka kumele siphakamise amakhanda ethu, ukuthi u—ukusindiswa kwethu kwasekuseduze: ukudideka kwesikhathi, ubuhlungu obukhulu phakathi kwezizwe, ukuzamazama komhlaba ezindaweni eziningi, ukuqubuka kolwandle, izinhliziyo zabantu zibulawa yitwetwe.

<sup>3</sup> Siyaqonda ukuthi sikulelohora lapho izizwe zingazi ukuthi zizokwenzenjani. Enye impi iyaqubuka, kubukeka kuzobanjalo. Kuyoba yisikhathi esibuhlungu. Umhlaba uqhekezeka phakathi, ochwepheshe besho ukuba kukhona ubunzima obuseduze. Siyalibona iBhayibheli likhuluma ngakho lokhu. Ngakho, Nkosi, sisize namuhla ukuba sime kulendlu yokuqondiswa, futhi sithathe iziyalo kuNkulunkulu wethu ukuze siqhubekele phambili kulesisikhathi sobumnyama sikhanye ukuKhanya, ngokuba kungahle kube yithuba lethu lokugcina ukwenze-njalo. Lokhu sikucela ngeGama likaJesu nangomsa waKhe. Amen. (Hlalani phansi.)

<sup>4</sup> Impela lokhu ngikubona kulithuba elihle kakhulu ukubalapha etabernakele namuhla ekuseni. Ngiyaxolisa ukuthi asinayo indlu yokuba nihlale kuyo emacaleni onke. Indawo igcwele phama, kumiwe ndawozonke ngaphandle. . . Ninabantu

eningaphandle manje, ningalalela lokhu emsakazweni wenu, ngiyakhohlwa...[uMfowethu uNeville utshela uMfowethu uBranham ukuthi isiphi isiteshi okungezwakala kuso—Umhl.]... 55 kuya ku 57. Ninabantu abangaphandle nabasendaweni yokupaka izimoto nabasemigwaqeni, ningalalela lokhu emsakazweni wenu phakathi ku ka 55 no 57 esiteshini somsakazo.

<sup>5</sup> Ngakho sizamile...Bengibuya, njalo, uku—balapha ukuzama ukuba cishe ngibe nomhlangano izinsuku ezilishumi ukukhuluma ngesifundo seZitsha zokuGcina eziyisiKhombisa; ngoba phakathi nalezoZitsha kukhona amaCilongo. Futhi benginitshela nge—lapho ngangizoshumayela ngamaCilongo ayisiKhombisa, ukuthi ngiyowaletha kanye neZitsha neziNhlupho. Futhi ngicabange ukuthi kuyoba yisikhathi esihle; ngisanda kubuya eAfrika; na—nabantwana kakaze babenalo iholide labo. Umfanyana wami, uJoseph, ube—ubehambe isikhashanyana—udinge amavikana ambadlwana okubuyekeza ekufundeni kwakhe. Uphumelele kahle, kepha akashayanga esikhonkosini, ngakho samgcina eTuscon kuthe—ngenkathi ngiseAfrika, wabe-qhubeka nokufunda kwakhe ecoshacsha nokunye esikoleni sasemini. Sabe sesiyabuya. Ngacabanga ukuthi, ngesikhathi izingane ziseholidayini lazo ngiyoba nomhlangano omncane nabantu lapha ngishumayele lezizifundiso. Kepha ngesikhathi sifika lapha, sathola ukuthi asinakulithola ihholo lesikole.

<sup>6</sup> Futhi bengazi ukuthi itabernakele belinganele ukuhlalisa abantu futhi libenze bahlale ngokuthokomala ngendlela okufanele babeyiyo uma be—uma nginalomlayezo; ngakho, kudingeke se—senze amalungiselelo ahlukile. Futhi esikhundleni sokuba no—nobusuku obulishumi ebesicebisane ukuba sibe nabo, qha, ngibe sengenza izinkonzo nje ezimbili ngeSonto—kuleliSonto, iSonto elizayo, naseSontweni elilandelayo, izinkonzo ezimbili, ukuze... Kepha asikwazisanga. Futhi-ke, uma kukhona ozwe ngandlebenye ukuthi izinkonzo ibiyoqala ngomhla zingamashumi amabili nesishiyagalombili ehholo yesikole, uma uNkulunkulu evumile, yebo, uma ninanoma yibaphi abangani nithole noma yiziphi izabelo emamotela, ngi—bengiyakukwesula (niyabo?), ngokuba ku—ngokuthi ba—asinaso isikhathi esanele sokukwenza; abalitholi—ihholo lesikole.

<sup>7</sup> Namanje, ngifuna ukukhuluma nge—ngezinkonzo zobuvangeli nje ngeSonto ekuseni. Kanti ngeSonto ebusuku ngifuna ukuba nomthandazo wabagulayo. Futhi siyethemba ukuthi uNkulunkulu uzohlangabezana nani nina bantu abagulayo. Angazi ukuba uBilly uzoninakekela kanjani, ngiyethemba, uzoninikeza amakhadi okuthandazelwa, noma ngayiphi-na indlela azobheka ngayo ibandla. Kepha sokwenza konke okusemandleni ukuthandazela wonke umuntu ogulayo

kulamaviki amathathu ezayo esihlose ukuba nezinkonzo ngawo, uma kuba sentandweni yeNkosi.

<sup>8</sup> Kanti-ke, ezikhathini eziningi kuyaye kubekhona ukuxoxisana kodaba oluqondene nomuntu ngqo, umuntu othile ufuna ukukubona umzuzu nje nganto-thize noma ngokunye okufana nalokho. Ngakho sizo...Bangaki lapha abafuna ukungibona ngasese, asibone izandla zenu. Wowu! Ubani ongafuni na?

<sup>10</sup> Bangaki abefundisi babazalwane bethu olapho lapha ekuseni namuhla na? Akaze sibenalo ithuba ku... angiqageli... Nimqondile oyedwa wabo na? Bangaki abefundisi abalapha ekuseni namuhla na? Akeniphakamise izandla zenu, noma nisukume. Akesibone ukuthi bangaki abefundisi abasebandleni namuhla ekuseni. Impela, kuhle! Ayibongwe iNkosi ngalamadoda. Ukuba sinesikhathi besizobethula ngamunye, kodwa ngingeqiniso niyababona futhi si—uNkulunkulu uyabazi enkonzweni yabo; futhi siyakhuleka ukuba uNkulunkulu uzobabusisa kakhulu. Akungabazeki abaningi babo bavale izinkonzo zabo ukuba beze lapha—uMfowethu uJunior Jackson, uma ngiqagela, Mfowethu uDon Ruddell. Lokhu kusakaza kuyafinyelela emabandleni abo. Nase—futhi naphezulu eNew York nakwezinye izindawo sizwe sonke lokhu kuhamba ngocingo oluqondene nalelo naleloSonto ekuseni namuhla.

<sup>11</sup> Ngiyajabula ukubona uMfowethu Richard Blair ehlezi lapha. Ngisanda kufunda incwadi ngento enkulu uNkulunkulu ayenzile phakathi kwabantu lapho. Ngelinye ilanga, njengoba ngazi (ngingaba nephutha, Mfowethu Blair; uma nginalo, ungibuyise), wayesebenza, esiza indoda ukuxhumanisa ugesi enqoleni kumbe enye into, ngiyakholwa kwakuyiyo. (Ngayifunda incwadi.) Base behlehlisa into ethize; kusenjalo, yagijima yaqonda emanzini lapho kwa—kukhona umfanyana (omunye we—wendoda ongumnikazi-nqola, umfanyana wakhe, oselibhobhodleyana), yabulala umfanyana. Nesisu sakhe saqumba ne...Siyakwazi ukubanjwa ugesi, kwe—kwenzeka kanjalo uma befana. Amehlwana ashona phakathi; amazinyo ahlangana.

<sup>12</sup> Kwabashaqisa kabi abazalwane. UMfowethu uBlair wathi wacabanga ukungibiza lapho ngikhona ukuba ngikuthandazele, kepha wakhumbula ukuthi kwakuyilokho, “Lapho ababili noma bathathu behlangene ngeGama Lami, nami ngoba khona phakathi kwabo.” Uyise waze wayobuka iminwe ezama ngeminwe yakhe ukuzazulula umlomo womfana ukuba uvuleke.

Base beguqa phansi baqala bakhulekela umfanyana, wabuye waphila futhi.

<sup>13</sup> Kwaba yiqiniso Mfowethu Blair na? Ngomunye wabafowethu abakholekile lapha. O, umfanyan'ulapha. Yebo, ayibongwe iNkosi! K'yathokozisa. S'celukuba usukume, mfan'uSonny. Manje, sibonga iNkosi ethandekayo ngalokhu. Nguye lowo uyise womfanyana na? Unguyise na? K'lungile. Sinaye lapha uMfowethu uRichard Blair. UNkulunkulu wethu ukwazi ukwenza noma yini. Yebo, mnumzane! Wakwethembisa. Siphila Phambi koPhezukonke omkhulu, okhazimulayo, uBaba wasezulwini. Nazozonke izinto esi—ziyenzeka uma singakholwa yikho.

<sup>14</sup> Niyabo ukuthi lokho kuvezani, ukuthi kwayizuzisela ini empilweni indoda ngenxa yokukholwa yilokho na? Kwasindiswa umfanyana wayo. Manje, uNkulunkulu wayenezinceku zakhe ezethembekile lapho ku—Mfowethu uBlair nabanye—ukukhulekela umfanyana ekulesosimo. Yebo, noma kwenzekani, khumbulani, ningabantwana bakaNkulunkulu oPhilayo. “Lapho ababili noma ngaphezulu bebuthene ngeGama Lami, lapho Ngikhona.” Futhi k'lotshiwe kanje, “Uhlal'elusizo ngesikhathi sokuhlupheka.” Uma-ke kwake kwabakhona ukuhlupheka, lowomfanyana engumfunzana ethe ja emhlabathini efile ngenxa yokubanjwa ugesi owamthintayo. . . Ngakho, siyambonga uNkulunkulu ekuseni nje ngazo zonke izinhliziyi zethu ngalezi—ngalezizinto Asenzele zona.

<sup>15</sup> UNkulunkulu awabusise lamadoda ethembekileyo futhi. Esikhathini esiyincindezi kuy'sona sikhathi sokubuka kuNkulunkulu; bese ubuka Kuye ubusuba nobungani naYe ngaphambi kokuba isikhathi esiyincindezi sifike. Siyakwazi lokhu: Uma sinobubele noNkulunkulu, singaMcela noma yini, nanjengoba ungenze njalo nanoma yimuphi omunye umngani; futhi-ke Uhlal'elusizo ngesikhathi sokuhlupheka.

<sup>16</sup> Ngike ngahlangana nodadewabo kaMfowethu John Martin emgwaqeni izolo. Bengi. . . Khona ongimisile ezansi nomgwaqo omunye ubedlula bangiphakamisela isandla sabo. Sengibuyela emuva ekhaya, niyazi, ubona abantu nomaphi bayama baxhawule njalo njalo. Lentombi-ke, ngiyakhumbula basanda kungibiza lapho omunye kade eyishaye emhlane isemotweni, yavandlazeka umgodla wonke, phansi-na-phezulu. Ibisikhombise ukuba yisishosha safuthi. Ihlez'enhlanganweni namuhla ekuseni ithokozela uBukhona bukaNkulunkulu. Bengixoxa nayo nje endlini; Ngithanda ukukhuleka nayo futhi, futhi ibi. . . Ikhona lapha ndawo-ndawo nje. Cishe ay'bange isabuya. Kanti khona la! Yebo, ihlez'khona lapha eduzane kwethu. K'njalo. Ungasukuma okomzuzwana, Dade, ukuze abantu ba. . . Nans'intombi udokotela ezinsukwini ezimbalwa ezedlule ubesethe ayisophinde ihambe, emgodlweni kwesingenhla nakho konke ngenxa yokulimala kabi—

kabi; kepha nanso ima, iphila. Niyazi iBhayibheli lathi, “Babengenakuphika lutho, ngok’ba umuntu wayemi phakathi kwabo.” K’njalo. Nang’umfanyana obuyiswe kwabafileyo. Futhi nang’owesifazane nomgogodla ovandlazekele, emi phakathi kwethu. Sekwenzekile. Ngakho-ke Unguye izolo, nanamuhla, naphakade. Malibusiswe iGama leNkosi! Simelwe ukuthokoza ngokuphila manje phambi kwaKhe futhi sazi ukuthi Ulusizo lwamanje esikhathini sokuhlupheka.

Kuyintokozo ukubona uMfowethu uVayle, uMfowethu uMartin, bebaningi ekuseni namuhla. Kanjalo iNkosi inibusise kakhulu bazalwane.

<sup>17</sup> Manje, k’yi...Ngiyazi ukuthi akupholile kangako lapha kulokhu kuminyana, kepha nokho, ngenkathi ngisuka eTucson ngelinye ilanga, cishe kwakuyikhulu nane noma nanhlanu; cishe phakathi nobusuku futhi kwase kungamashumi ayisishiyagalolunye nantathu, ngakho lokhu kuzwakala kukuhle kimi. Bathi-ke eParker kwakuyikhulu namashumi amane ngoLwesihlanu ngaphambi kokuba sisuke. Nawe uyazibonela ukuthi kwakushisa kangakanani. Kwenziwa ukuthi kusogwadule.

<sup>18</sup> Manje-ke, lamaSonto amathathu ezayo...Namuhla, zilishumi nanhlanu, Ngikholwa, ukuthi kunjalo, noma zilishumi nesithupha na? Zilishumi nanhlanu, akunjalo na? [Omunye uyaphendula, “Zilishumi nesishiyagalombili.”—Umhl.] Zilishumi nesishiyagalombili. Namhla zingamashumi-ayisishiyagalombili nango—Agasti lulunye. Kunjalo na? [Omunye uyaphendula, unikeza izinsuku okuyizonazona.—Umhl.] Zingamashumi amabili-nesihlanu—zilishumi nesishiyagalombili, zingamashumi amabili-nesihlanu—nangamhla lulunye, kuyoba nezinkonzo etabernakele. Anazi, kumele nikuzuze, ngoba, niyabona, asikutholi oku—okulapha manje ngaphakathi, niyazi, kuya ngokuba kubi. Nibuye nibuye nje uma kungenzeka.

<sup>19</sup> Futhi—futhi ke ngilapha ukubonana namalunga ndawonye. Ngizama ukulungisa konke lokhu okungenzela phansi ekutholeni indawo yokubambela umhlangano uma ngiholeleka ekwenzeni njalo. Ngakho ngicabanga ukubacela ukuthi singezitholele yini ithende lethu bese—bese silakha sizihlalele kulo, yebo, niyazi. Siphume siye emaphandleni noma epulazini siligxumeke lapha nalaphaya njengalokhu iNkosi iyosihola. Futhi ngiyezwa ukuthi lokho Izokwenza. Niyazi kunombono omayelana nalokho. Futhi ngicabanga ukuthi kungenxa yalesosizathu ukuba lokhu kwenzeke . . . Manje niyazi, esikhathini esiningi sicabanga ukuthi kubi ngoba izinto ezithile zenzeka, kepha niyazi, kungaba nguNkulunkulu (niyabo?) ekuqhubela kulezizinto. Uma Ekusho, Uyokwenza.

<sup>20</sup> Ebusukwini obumbalwa obedlule iningi lenu—ciske enyangeni nje ngaphambi kokuya eAfrika...Iningi lenu mhlawumbe linayo itape (kinina bantu eninamatapes) ethi *Ukukhetha uMlobokazi*. Yashunyayelwa eCalifornia. Emzuzwini yokucina yaleyotape, angisakhumbuli ukuba ngake ngaba lapho. Kepha uMoya weNkosi wafika ngendlela emangalisayo. Bengiyilokhu ngibasola indlela abaphila ngayo nabenza ngayo, kwathi emva kokuba iVangeli selishunyayeliwe futhi labonakaliswa kakhulu phambi kwabo. Ngokushesha uMoya oNgcwele wakhuluma wathi, “Kapernawume (niyabo?), umuzi ozibiza ngegama lezingelosi (leyo yiLos Angeles), uziphakamisele eZulwini, kepha wehliselwa esihogweni!” Niyabona na? Khona-ke emva kwalokho kwase kudlula, kungani na, ngangingaphandle. NoMfowethu uMosley enoBilly wayenami, base bethi...Babuyela emuva babuka, abantu babeshayeke phansi bonke, abefundisi bekhala.

<sup>21</sup> Ngase ngihamba ngithatha umBhalo; Ngathi, “Kukhona okuqondene nalokhu eBhayibhelini.” Kwabe kunguJesu esuka iKapernawume, yonke leyomizi yangasogwini Ayeyihambela. Washoloni ukuthi, “Kapernawume, wena oziphakamisele eZulwini, uyokwehliselwa phansi esihogweni.” Wathi, “Ngokuba uma yayenziwe eSodoma naseGomora imisebenzi yamandla eyenziwe kuwe, ngabe likhona nanamuhla.” Nangalesosikhathi iSodoma neGomora lase lingaphansi kolwandle. Khona-ke emva nje kwalokho, mhlawumbe iminyaka elikhulu noma nengxenye emva kwesiprofetho sikaJesu, iKapernawume, elinguwona muzi ongasogwini Awuhambelayo, ukuzamazama komhlaba kwawucwilisa olwandle. Niyazi, kwakuyimpiculo eqonde ngqo kwiCalifornia, mayelana neLos Angeles.

<sup>22</sup> Kanti ke ngelinye ilanga eTucson, ngisanda kubuya nje, kwabakhona ukuzamazama okukhulu komhlaba lapho. Nochwepheshe kuTelevishini babekudweba. Kwase kusemaphapheni, lapho umhlaba ngelinye ilanga waqhekezeka kusuka eziQhingini zaseAleutia—noma ukusukela eAlaska kujike eziQhingini zaseAleutia, ciske amamayela angamakhulu amabili kusuka olwandle, kwabuyela eSan Diego, kwazungeza iLos Angeles, kwaphumela eSan Diego. Kwagudluka ngamayintshi amaningi. Izindlu zidicileke phansi. Amamotela engene phakathi. Uchwepheshe wase—buzwa, ngalomdwebo, wathi, “Yebo, kungawa ngelinye ilanga?”

<sup>23</sup> Wathi, “Kunga? Kuyowa!” Wayesesebenzisa amagama obuchwepheshe ukuthi wubindiza lu...Yikho okwenze lokhu-kuzamazama komhlaba okuze kwayofinyelela eSan Diego nasezansi le; kube yileyondawo engumhlo. Kepha manje yonke isiqala ukubihlika njengesihlabathi sibihlika. Kepha manje isilukuqweqwe nje iya ngokunyimfika ngamayintshi amaningi. Bangathatha umshini wokukala nokunye, balandele

lolofa, bakale, babone ukuthi kwakukuphi. Kwabuye kwaphinda futhi kwaguguleka ngamanye amayintshi amaningi, mhlawumbe amabili noma amathathu amayintshi ngelinye ilanga futhi, emva nje kwalokho isiprofetho savezwa.

Laba ababebuza uchwepheshe bathi, “Qha, cishe ngeke kwenzeke esikhathini sethu.”

<sup>24</sup> Wayesethi, “Kungenzeka emva kwamaminithi amahlanu noma eminyakeni emihlanu, kepha lizowa.”

<sup>25</sup> Unk. Simpson—Angisho ukuthi unathi namuhla; noma... Ngibona uMfowethu Fred ohlezi la, kepha angazi ukuthi uNk. Simpson ukuphi. Waba nesiprofetho engasenza cishe ngo 1935 kuyela lapho nje, wathi: “Isikhathi siyeza (kulotshiwe ndawo ndawo encwadini) ukuthi ulwandle luyokhala lwewukele ogwadule.” Buka ukuthi kuyokwenzekani. Uma lezozinkulungwane zamamayela sikwele ziwela obindizeni lomhlaba zishone phansi, kuyoba nezigidi eziyofa ngasikhathi sinye. Lokho kuyokwenza igagasi eliphakeme kakhulu... Khumbula, kuyodilikela oLwandle lukaSawoti okulikhulu noma amakhulu amabili amafidi ngaphansi kweleveli yolwandle. Lawomanzi cishe ayoze afike eTucson ngalelogagasi eliphakeme kakhulu liwelela lapho. Nolwandle luyogobhozela nasogwadule.

Izizwe ziyehlukana; UIsrayeli usephapheme,  
Izibonakaliso ezabikezelwa ngabaprofethi  
bethu;  
Izikhathi zabeZizwe zibaliwe, Nezinsizi  
zokuhlupheka  
Buyani, O nina bahlakazekileyo, kwabakini.

<sup>26</sup> Sisesikhathini sokugcina. Namanje, iNkosi inibusise kakhulu. Sengiqale ngalokho ngaze ngakhohlwa nayisikhathi. Sizonyamalala ngokushesha singene engunaphakadeni noma kanjani.

<sup>27</sup> Manje-ke, kuMark oNgc, isahluko 7 nevesi lika 7, ukuze ngakhe isihloko kulesisifundo esifundwe ku 1 IziKronike 13. Ukwakha isihloko salokhu ngifuna uMark 7:7

... bangikhonza ngeze, befundisa izifundiso  
eziyimiyalo yabantu.)

<sup>28</sup> Manje, angazi lutho kuphela uMyalezo iNkosi engiphe wona, futhi-ke yilokho kuphela engingakhuluma ngakho. Namanje-ke, ngizokhuluma ngesifundo namuhla ekuseni engicabange ukuthi singasihle. Nakusihlwa namuhla ngithanda ukukhuluma ngokuthi, *iNyama ngeSikhathi esiFanele*, uma iNkosi ithanda—*uKudla kokoMoya ngeSikhathi esiFaneleyo, nokuthi Kwamukelwa kanjani*. Manje, ekuseni nje: *Ukuzama uKwenzela uNkulunkulu iNkonzo Ngokungesiyona iNtando yaKhe KaNkulunkulu*.

<sup>29</sup> UNkulunkulu uyabusa. Siyabona lapha okwenziwa nguDavide emBhalweni esifunda kuwo Kwi 1 IziKronike 13. Futhi waye—izinhloso zakhe zazizinhle. Kepha uNkulunkulu akasivuzi ngezinhlalo ezinhle. Iyodwa indlela yokukhonza uNkulunkulu, ngeyokwenza intando yaKhe ngokuyala kwaKhe. Futhi uNkulunkulu, engumbusi, akukho namunye ongaMtshela ukuthi akenzeni nokuthi kwenziwe kanjani; Ukwenza ngendlela... Uyayazi indlela eyiyo yokukwenza. Lokhu kungenza ngizizwe ngijabulile. Futhi kufanele kusenze sonke sijabule, futhi ngineqiniso ukuthi kwenzenjalo. Ngoba omunye angenza *ngalendlela*, omunye enze *ngaleyandlela*, nomunye ngenye indlela...

<sup>30</sup> Kepha enye into enkulu ngoNkulunkulu futhi, Akasishiyile, manje, ngaphandle kokwazi ukuthi liyini iQiniso nokuthi lenziwa kanjani. Angebe ngolungileyo ukusijezisela into esiyenze singazi ukuthi kufanele yenziwe kanjani, bese singqubuzeka kwenye into. Akasiyo leyonhlobo kaNkulunkulu. UnguNkulunkulu okhuluma izwi maqede alindele ukuba abantwana baKhe balikholwe. Ngakho-ke, Uyakwazi okuyikhonakhona, nokuthi kufanele kwenziwe nini, nokuthi kwenziwe kanjani. Sinemicabango yethu ngakho, kepha uYazi.

<sup>31</sup> Futhi-ke, uma Ebeka inqubo Abezozenza kepha angas'tsheli ukuthi bekuyokwenzekani nokuthi kuyokwenzeka kanjani, bese singqubuzeka kukho besiyi—siyolungisiswa eku—ekungqubuzekeni kwethu noma sizame ukwenza okunye, ilowo nalowo ubeyolungisiswa. Kepha iny'indlela, leyo iyiZwi Lakhe.

<sup>32</sup> Okunye-ke, uDavide lapha, siyabona ukuthi enhliziyweni yakhe wabefuna ukwenza into enhle. Wayengenayo inhloso embi noma impokophelo embi, kepha indlu—noma umphongolo weNkosi wawususiwe ku—kubantu; futhi wayefuna ukubuyisela umphongolo kaNkulunkulu endaweni yawo, ukuze abantu baxhumane noNkulunkulu mayelana nezinto ababezidinga.

<sup>33</sup> Esikhundleni so—sokuwudedela uhambe, si... Ungathini uma ngabe uMfowethu uBlair noyise walomfanyana bathi, “Impela, kubi kabi umntwan'ulimele, wafa. Nginyaqagela, kungenzeka kube into eyenzekile na?” Kepha baya ngokushesha kuNkulunkulu.

<sup>34</sup> Ungathini uma ngahle umakotshana, nowakwakhe umfundisi weVangeli, ebusukwaneni obedule noma ezinsukwini, ngenkathi lowomakotshana evandlazeka umgogodla ungasagobi... Udokotela wathi, “Uyoba inkubela kuze kube sekufeni.” Kwakungaba njani uma indoda—uma owesifazane wayesethe, “Yebo, mtakwethu, sesiyovele sizibophezelele kulokho.” Kepha ngokushesha bathatha izinyathelo ngakho; baya kuNkulunkulu. Kuningi esingakubala eBhayibhelini lapho okwakuthi uma abantu besenkathazweni, babikele uNkulunkulu.

<sup>35</sup> Ngakho-ke, ngalezozinsuku babeba nendawo eyodwa yokuhlangana lapho babehlangana khona noNkulunkulu, lapho kwakuba semphongolweni ngaphansi kwegazi. Kuseyiyo leyondawo yokuhlangana nakalokhu, ngaphansi kweGazi. Isihlalo somusa sasifafazwa ukunikeza umusa kumkhonzi noma kumnxusi uma ezocela inkambo kaNkulunkulu. NoNkulunkulu wayeba nendlela ethize, indlela okwakumele uhambe ngayo—maqondana nalokho, futhi Wayengenakuyamukela enye into. Wayengenakuyamukela enye eyahlukileyo, kuphela yileyo Ayibekile.

<sup>36</sup> Maduzane ngike ngashumayela ngodaba (abaningi benu bayalwazi), ukuthi okuyiyona ndlela ebekwe nguNkulunkulu lapho ehlangana khona nomkhonzi, kuyindawo Athi ngayo, “Ngiyakubeka iGama laMi.” Uma singathola ibandla Abeke iGama laKhe kulo, khona-ke kungabe siyitholile indawo. Wathi, “Angiyikunibusisa kuwo wonke amasango, kuphela kulawomasango engibeke kuwo iGama laMi. Ngiyakulibeka endaweni eyodwa, kumele niNgifice khona; yiyona ndawo engiyakunifika kuyo.” Sitholile-ke lapho Ebeke khona iGama laKhe. Kulapho kuphela-ke Ahlangana khona nokhonzayo; neGama laKhe lalinguJesu Kristu. IGama likaNkulunkulu linguJesu Kristu.

<sup>37</sup> UJesu wathi, “Ngiza ngeGama likaBaba.” Yonke indodana iza ngegama likayise. Naye ke wafika ngeGama likaYise. Futhi-ke alikho elinye iGama ngaphansi kweZulu elinikiwe ebantwini, noma ngabe okubizwa ngokuthi yiMethodist, iBaptist, iPresbyterian, iBandla likaKristu, noma kungenziwa ngani, iyodwa qhwaba indawo yokuhlangana lapho uNkulunkulu ehlangana khona nomuntu, kulapho nxa ekuJesu Kristu, okuyiyona ndawo. Nazo zonke lezizinto ezindala ezisemuva le eTestamenteni eliDala zifanekisa lokho. Ngithanda ukuba nikuqonde kahle. Manje, kuyisifundo sikaSonto Sikole. Futhi ngineminye imiBhalo namanothi alotshwe lapha phansi. Ngicabange ukuthi lokhu kuyonisiza ukuba niqondisise, njengalokhu zonke izinto ezindala zenzeka ukuba zibe yizibonelo kithina.

<sup>38</sup> Manje, sithola ukuthi uNkulunkulu wayenendlela yokwenza izinto, kepha uDavide, engobusiswe nguNkulunkulu njengokuba wayeyinkosi, wacabanga ukuthi kumele kubekhona akwenzela uNkulunkulu noma ikanjani nje. Kepha akakufunanga ngendlela eyiyo.

<sup>39</sup> Siyaqaphela, uNkulunkulu wembula iZwi laKhe esikhathini sonyaka sakhe asikhetha ngaphambili. Manje-ke, uMartin Luther wayengawazi kanjani uMlayezo wanamuhla na? I-Presbyterian ya...UMartin wa—noma ibandla eliKatolika lalingawazi kanjani uMlayezo kaMartin Luther na? UJohn Weseli wayengawazi kanjani uMlayezo ka Luther na? UWeseli wayengawazi kanjani uMlayezo wobuPentekoste na? Kumb

wona amaPentekoste angawazi kanjani loMlayezo na? Niyabona na? UWembula ngezikhathi zonyaka zaKhe, ngoba uyiMbewu; ngokuya ikhula futhi ivuthwa Uyaye elokhu Ezembula.

<sup>40</sup> Njengokushisa kwelanga kuvula. Uma lingakashisi lisekahle nje, liyikhulisa emhlabathini, imbewu, bese izeza amacembe ngokuya kwesigaba selanga. Ilanga elishisayo liyoyibulala uma kuyimbewu esavuthwayo noma kuyisikhathi sokuvuthwa. Ngakho-ke Ujikelezisa ilanga ajikelezise nemvelo ukuze kuhlanguke neZwi laKhe. Ujikelezisa iBandla, abakhethiweyo, uMlobokazi, ukuhlangukabezana nesikhathi sonyaka abaphila kuso.

<sup>41</sup> Ngisho imvelo qobolwayo iyasitshela namuhla, njengoba sibona izizwe zehlukana, umhlaba uyacwila, isandla siyaloba odongeni. Sibona ibandla nezimo elikuzo. Sibona uMlobokazi nesimo akuso. Futhi siyazi ngokubuka imvelo ukuthi iBandla selimi ngomumo ukuba lihambe. Yeka lesosikhathi senkazimulo. Kuyisikhathi bonke abaprofethi ababelangazelele ukusibona, lelihora.

<sup>42</sup> Manje, Wembula iZwi laKhe ngesikhathi sonyaka saLo kuphela. UMartin Luther wafunda lona leliBhayibheli njengoba senza. UWesley wafunda lona iBhayibheli njengoMartin Luther. AmaPentekoste afunda lona iBhayibheli esilifundayo. UJesu wafunda lona iBhayibheli abafarisi abalifundayo, kepha babe... Bezama ukugcina uhlamvu luhlale lungakhuli kanti lwase luvuthwa, bahluleka ukubona ihora labo.

<sup>43</sup> Manje uDavide wenze into enjalo lapha. UNkulunkulu wembula leliZwi esikhathini sonyaka esifanele nakulowo Amkhethele ukuLembula kuye. UNkulunkulu ukhetha lowo amkhethele ukuLembula kuye. Wakukhetha lokho ngaphambi kokusekelwa kwezwe. Zonke izenzo Zakhe wazazi ngaphambili, zifihlakele kumuntu; Uzembula njengoba Ethanda. Kuyisikhathi sonyaka saKhe asikhethileyo, kumuntu waKhe amkhetheleyo. Futhi Kakaze akhethe isigejane sabantu noma isigungu samasonto; kuba ngumuntu okhethiweyo. Ukwenza kanjalo.

<sup>44</sup> Ngubani ongaba nesibindi sokuMqondisa athi, “Manje, Nkosi, Wenza iphutha ngokubeka lomuntu enkonzweni. Lomuntu kakholwa njengoba thina sikholwa.” Ngubani ongatshela uNkulunkulu ukuthi Unephutha ekwenzeni lokho na? Kungasho ukuthatha isehluleki nje esinjengami ukusho lokho kuYe. Uyakwazi Akwenzayo. Uyamazazi okufanele amkhethe nokungafanele amkhethe, ukuthi akenze-ni nokuthi akwenze nini. Akukhathaleki noma singacabanga ngokuthi ukhona umuntu okufundele ukwenza umsebenzi othize, uNkulunkulu uyazi ukuthi ngubani osifanele lesosikhathi nesigaba sonyaka, noma kuyiso yini isikhathi nesikhathi esiyiso sokukwenza.

<sup>45</sup> Kanti-ke, oweqiniso umKristu weqiniso ngempela, ikholwa leqiniso ngokwempela kuNkulunkulu, liyalindela iNkosi ngalezizinto. Lindela entshumayelweni yakho. Uma uzizwela ubizo, yiba nesiqiniseko ukuthi kuvela kuNkulunkulu. Yiba nesiqiniseko ukuthi kuyikho. Yiba nesiqiniseko ukuthi okushoyo kukuso yini isikhathi esiyiso. IBhayibheli lathi,

“Abalindela eNkosini bayothola ukuhlunyeleliswa.

Bayokhuphuka ngamaphiko njengokhozi. Bayogijima bangapheli amandla. Uma behamba, abayikuqeleka.”

<sup>46</sup> Qaphela uDavide, inkosi yakwaIsrayeli, engogcotshiweyo. USamuel wathela amafutha phezu kwakhe, futhi wayekhethwe nguNkulunkulu ukuba abe yinkosi wakwaIsrayeli. Khona-ke uDavide wathola lesisambulo ukubuyisa umphongolo weNkosi wenyuke uye emzina kaDavide. Manje, akukho okuliphutha, kepha uyabona, uDavide wakuthatha ngesinxele.

<sup>47</sup> Manje, kubukeka sengathi uma umuntu onjengalowo angathola isambulo, umuntu omkhulu njengenkosi ekhethiwe kaNkulunkulu (inkosi enkulu jikelele kunawowonke asake abakhona emhlabeni ngaphandle kukaKristu, ngiqagele, kwakunguDavide, ngoba uKristu uyiNdodana kaDavide)... Manje, umuntu omkhulu kakhulu, esanda kugcotshwa, Ngokuvela kuNkulunkulu ngqo, waba nesambulo sokwenzela uNkulunkulu into ethize futhi efuna ukuyenzela uNkulunkulu, kepha isambulo sasiliphutha. Manje, lokho kuyinto enkulu. Kuzoqondana nesifundo sethu: *Ukuzama Ukwenzela uNkulunkulu iNkonzo Ungabizwanga Ukuba Uyenze.*

<sup>48</sup> Qaphela, uDavide waba nesambulo. Futhi qaphela, kazange kube ngumprofethi uNathan-ael owaba nesambulo; kwaba nguDavide inkosi owaba nesambulo. Wayengazange uNathan-ael athintwe ngabo. Akazange ambuze uNathan-ael. Kodwa ngabe uke wabuka ku 1 IziKronike, wabuza ezinduneni zezinkulungwane nasezinduneni zamakhulu. Kazange abuze kuNathan-ael. Wabuza kubantu, wabuye futhi wabuza kubapristi nakochwepheshe kwezenkolo bangaleso sikhathi, ababhali nosiyazi. UDavide wabuza kuqala, wathi, “Ku—uma lokhu kuvela kuNkulunkulu, masehle sibuyise umphongolo wesivumelwano sikaNkulunkulu wethu senyukele nawo emzini, futhi masibuze kuNkulunkulu ngaphambi kokuba senze izinto.”

<sup>49</sup> Bathi ngezinsuku zikaSawule bashiya ukubuza

KuNkulunkulu ngo-m—m—mphongolo, iUrim—Urim Thummin; bayeka ukwenza lokho. Wayesethi uDavide, “Manje, masibuyele kuNkulunkulu, thina sonke. Masibuyele kokuyikhona khona. Masehle sibuye nomphongolo siwulethe lapha (ngamanye amazwi balethe ubuKhona bukaNkulunkulu, emzini). Masenze imvuselelo. Masibuyise abantu.” Kodwa wayenesambulo, nokho esasibonakala sisihle, kepha kwakungesiyona intando kaNkulunkulu.

50 Esikhundleni sokubuza umthombo okwakufanele awubuze, wabuza ezinduneni zakhe, ngoba wabe eseyinkosi, walandela leyondlela yokucabanga, ukuthi izikhulu zezinduna nomuntu wakhe omkhulu. . .

51 Wayeseya ebandleni elikhethekileyo wabuza ukuthi bangayenza imvuselelo na; abapristi, ababhali, izinduna zezinkulungwane, nezinduna zamakhulu, wayesebabuza, “Bekuyintando yeNkosi lena na?” Bathi bekuyiyo. Kepha, niyabona, wehluleka ukubuza umthombo okuyiwona wona uNkulunkulu njalo asebenza ngawo (niyabona na?); wehluleka ukuwuthola.

52 Manje inhloso yakhe yayiyinhle. Injongo yakhe yayiyinhle. Isenzo sakhe sasisihle, no—kuletha imvuselelo kuwo umuzi, ukubuyisela abantu kuNkulunkulu. Kepha ka-zange abuze ngendlela uNkulunkulu ayemtshele ukuba enze ngayo. Niyabona na?

53 Naphezu kokuba bonke abantu bavumelana nabapristi no—kuthi inkosi yabe iqinisile. Babedinga ukuba umphongolo ubuyiselwe kuwo umuzi. Manje, babedinga uBukhona bukaNkulunkulu. Babedinga imvuselelo. Kepha uNkulunkulu wabe engakathembisi ukwembula iZwi laKhe esikhathini sonyaka saLo kubantu. Akethembisanga ukuLembula enkosini ngalesosikhathi sonyaka. Futhi uNkulunkulu akaguquki ngisho naka nci. Akakwethembisanga ukukwenza lokho.

54 Akukhathaleki noma kungabaqotho kangakanani, noma kungaba zinjongo ezinhle, noma kungaba izimpokophelo ezinhle, noma ngabe abantu bazifunisisa kanjani lezozinto, babone nesidingo sakho, kukhona intando kaNkulunkulu okumelwe kuhanjwe ngayo mayelana nalezizinto. Yilokhu engithanda ukuzimelela kukho. Ngifuna ukwenza lokhu ukuze nikubone uma—uma uMoya kaNkulunkulu uhlala kini. Futhi kungakho lokhu ngishikashika lapha isikhathi eside kangaka. Ngingadli isikhathi senu bakithi nina enilalele kuthelofoni nasembhobheni, kepha ngi—ngifuna nikubone. Uma nishiywa isikhathi, thathani amatape. Ukuze ku. . .

55 Akukhathaleki noma kudingeka kangakanani, noma ngabe bonke bayavumelana ukuthi kuyadingeka, noma ngabe lokho kuliqiniso kangakanani, noma kunjalo iyodwa into yokukuthola: Kungabe kuyintando kaNkulunkulu na?

Manje, uNkulunkulu akethembisanga ukuthi Uyokwembula izimfihlakalo zaKhe emakhosini akhe, Uyokwembula izimfihlakalo zaKhe kubantu baKhe.

56 Kufana nasesikhathini sikaMikaya, indodana kaImla. Njengoba kungathi sishiya, isihloko, kepha ngesinye isikhathi, kepha kungukuba siveze lokhu kube liqiniso kini, kuzwakale kahle kini, ukuze kunganiphuthi.

<sup>57</sup> Kwakukhona ezinsukwini zikaMikaya... Wabe engumuntu ompofu, futhi wabe evela emndenini ompofu. Kepha uAhabu, inkosi yakwaIsrayeli, njengesizwe esingaphansi kukaNkulunkulu, wayenesikole esikhethekileyo futhi kunabakhethiweyo, abaprofethi abakhethwe ngabantu, bengamakhulu amane esikoleni. Futhi babengamadoda amakhulu. Babengesibo nje abaprofethi bamanga. Babengabaprofethi abangamaHeberu, amadoda impela. Base ke bebuza eNkosini ngawo lamadoda. Baprofetha. Kepha niyabo, ngenkathi sekudingeka amaqiniso ahlale obala, bonke babephume baphela eZwini likaNkulunkulu nasentandweni. [Akuthwetsulwanga itape—Umhl.]

<sup>58</sup> Ngokuba uJehoshafati wehlela eJerusalema ukuyohlangana nenkosi uAhabu, base bembatha izingubo zabo, bahlala ngase—ngasesangweni, bamisa abaprofethi phambi kwabo. Okokuqala uAhabu wathi, “Sinendawo enhla laphaya eRamoti-Gileyadi eqinisweni engeyethu.” Manje, lokhu kungu ISHO KANJE INKOSI; UJoshuwa walahlukanisela abantu walinikela kubo, kepha amaFilisti abe elidlile. Wayesethi, “Lapha abantwana bethu badinga isinkwa, asinalo izwe elanele ukuba sithole isinkwa; nesitha sethu, amaFilisti, ondla abantwana bawo, abahedeni, emhlabathini impela esawuphiwa nguJehova uNkulunkulu.” Lokhu vele kuqondile. Bathi, “Silapha, abantu bakaNkulunkulu, sihleli lapha nabantwana bethu seswele; nesitha sethu sondlabantwana baso ngomhlabathi uNkulunkulu asibizela kuwo sisuka eGibhithe wasinika wona.” Lokho kwasukumisa osiyazi benkolo, akunjalo na? Wathi, “Singenyuka silitathe izwe lethu uNkulunkulu asipha lona na?”

<sup>59</sup> UJehoshafati wathi, “Yebo, ngizokwelekelela.

Singabafowethu. UseJudiya, nami ngi—ngiseJerusalema (noma-noma kambe ngiyaphambanisa na? Ngikholwa... Qha kuyikho, ngicabanga ukuthi uJehoshafati...). Noma kunjalo, uJehoshafati wayeyindoda elungileyo, inkosi, umuntu olungileyo owayeyithanda iNkosi, uAhabu wabelikholwa elisivivi. Ngakho babehlisela phansi, wayesethi uJehoshafati, “Lalela, ake sibuze eNkosini kuqala. Kufanele sikuthole lokhu.” (Niyabo, ukuba uDavide wayenze njengalokhu kwenza uJehoshafati...) Wathi, “Besingekwenze lokhu na?”

Ngokushesha, engumIsrayeli, uAhabu wathi, “Impela. Nginamakhulu amane, amaHeberu njengoba nathi siyiwo, abaprofethi bamaHeberu behlelo lethu. Futhi ngizobabuza. Bangabaprofethi.”

<sup>60</sup> Manje, niyabo, lokhu... Uthi, “Kuyangidida mina, Mfowethu Branham. Umprofethi?” O, yebo! Ukhona owayekhona ngesikhathi sikaJeremiya owathi babeyohlala ezansi lapho iminyaka emibili. INkosi yatshela uJeremiya, amashumi ayisikhombisa. Wabeka ijoka entanyeni yakhe,

wayeselephula umprofethi, uHananiya. Kepha uyazi ukuthi kwenzekani kuye. O, yebo! Umele ukuhlala neZwi!

Ngakho-ke lababaprofethi base bekhuphuka, basebeprofetha, bathi, “Yenyukela; iNkosi inawe.”

<sup>61</sup> Nomunye wabo, ngikholwa ukuthi... Sengiyalikhohlwa igama lakhe okwamanje, isikhulu, uZedekiya, uma ngingaphosisi, wathi—wazenzela izimpondo zensimbi ezimbili wayesethi, “Isho kanje iNkosi, uthi ngalolu (manje, lowomuntu wayeqinisekile) uyakuqhubukusha isitha sakho sibalekele emazweni akubo bese uthatha lokho okungokukaNkulunkulu; k’nikelwe kuwe.” Angikholwa ukuthi wabe engumzenzisi. Ngikholwa ukuthi wabe eyindoda elungileyo. Ngikholwa ukuthi bonke labobaprofethi babenjalo.

<sup>62</sup> Nithi, “Babengabaprofethi?” Yebo! Khumbula, yena lowomuntu owavumelana nokubulawa kukaJesu Kristu waprofetha, ngoba kwakuyisikhundla sakhe. Wabe engumpristi omkhulu ngalowonyaka, njengalokhu wabenalesosikhundla futhi ebambebele kulesosikhundla, uMoya kaNkulunkulu wafika kuye. Kanti-ke lokho kwakungasho ukuthi wayesindisiwe noma okuphathelene nakho. Wayeseprofetha (uKayifase), ngokuba kwabe kuyisikhundla sakhe esakwenzayo.

<sup>63</sup> Nalababaprofethi-ke, bengabaprofethi ngesikhundla sabaprofethi, baprofetha, noMoya kaNkulunkulu wafika kubo, umuntu onezipho zikaMoya.

<sup>64</sup> Nginyaqonda ukuthi ngikhuluma kumapesenti angamashumi ayisishiyagalolunye nesishiyagalolunye amaPentekoste, kepha umuntu... Ezikhathini eziningi umuntu, uNkulunkulu angakhuluma nabo, abaphe isipho, abantu bazimpintshele kulabobantu. Uma bengabizwanga ngokuphelele futhi bethunywe nguNkulunkulu, uyokwenza ukuba leyondoda noma lowo wesifazane asho into engesiyona intando Yakhe, ngoba abantu babaphoqela ukuba bakwenze.

<sup>65</sup> Ngake ngambamba umfundisi wakithi omncane lapha kulokho. Phandle ehlathini lapha ngokunye ukusa, ngo 3 nqo ekuseni, wathi, “Hamba utshele uMfowethu Neville!” Ngiza kuwe, akunjalo, Mfowethu Neville na?

<sup>66</sup> Wonke umuntu, “Mfowethu Neville, ngiprofethele. Ngitshele lokhu noma lokhuya.” Niyabona? Uyombona ngokusho izinto zingenzeki. Labo abalinda baze bafumane ukuthi iNkosi ifuna ukwenzani. Niyabo?

<sup>67</sup> Ngakho-ke nalababantu bafuqwa imizwa yokwenyama, “Lingelethu.” Kepha niyabo, kabazange bathole iZwi nentando kaNkulunkulu.

<sup>68</sup> Wayesehla uMikaya, waba nombono. Futhi wawuhlola kuqala. Niyaphela na? Wathi, “Lindani. Nginikeni lobubusuku. Akengithole, mhlawumbe kusasa

ngizoniphendula.” Akasheshanga ukuthi, “ISHO KANJE INKOSI,” njenganokuvumelana nabanye abaprofethi; wayesethi, “Ngiyakukhuluma kuphela lokho uNkulunkulu akushoyo.” Futhi-ke ngosuku olulandelayo siyathola ukuthi uNkulunkulu wamazisa ukuthi kuyokwenzekani. Futhi-ke kwakuphambene ngempela nokwabanye. Sonke isikole, kwaphambana. Kwaze kwathi omunye wabo wasondela wamshaya ebusweni ngenxa yalokho. Kepha buka, walinda. Esekwenzile lokho, waqhathanisa isiprofetho sakhe, nombono wakhe, kanye neZwi elilotshiwe, futhi kwakuhambisana neZwi.

<sup>69</sup> Uma umuntu ethi banesambulo sokubhaphathiza abantu eGameni likaYise, iNdodana, noMoya oNgcwele, lokho kuphambene neZwi. Akukho namunye kubo osewake wakwenza. Uma bethi, “O, sizosukuma...” *Nalokhu, lokho, nalokhuya*, nokunjalo, kuphambene neZwi. Uma bethi abakholelwa ekutheni kukhona inzalo yenyoka, lokho kuphambene neZwi. Zonke lezezinye izinto, lokho kuphambene neZwi. Kumele kuhambisane neZwi nasesikhathini sonyaka.

<sup>70</sup> Manje, ukuba uDavide wayekwenzile lokho. Umphongolo wawuzakuza, kepha hayi ngalesosikhathi. Yayingakabibikho indawo yawo.

<sup>71</sup> Qaphela manje, ngenkathi behlela ukuwuthwala umphongolo, zonke izicukuthwane zathi, “Yiyonanto okufanele yenziwe impela, Davide. Inkazimulo mayibe kuNkulunkulu! Sidinga invuselelo.” Lelo kwakuliPentekoste lanamuhla impela—amaBaptist, amaPresbyterian. “Davide, uyinkosi yethu. Nina nonke... Induna u*Sibani-bani*, noMeja *Sibani-bani*, noJenene u*Sibani-bani* bayobe besemhlanganweni wakho. Kungenzeke ngani, bathi yiyonanto impela okumelwe yenziwe, Davide. Lonke izwe liyavumelana nawe.” Kunjalo nanamuhla! Angilifuni izwe. Ngifuna uNkulunkulu, uma kungekhomuntu osukumayo.

<sup>72</sup> UDavide wayenazo zonke izinduna. Wayenobudlelwano nezempi. Wayenobudlelwano nawo onke amahlelo, nabo bonke osiyazi bezenkolo, nabobonke—wonke umuntu evumelana naye. NoAhabi wenzenjalo, kanjalo nabanye emBhalweni; kepha wayengenaye uNkulunkulu, ngokuba wabe ephumile entandweni kaNkulunkulu. Ngiyethemba siyakuthola lokhu!

<sup>73</sup> Qaphela! Benza konke abangakwenza ngokwenkolo. Kungenzeka—mhlawumbe ukuba babeka izaziso nakho konke: “Invuselelo enkulu, umphongolo uzolandwa ubuyiswe. Sizoba nemvuselelo! Sizokwenza *lokhu*.”

<sup>74</sup> Qaphela, wathumela abahlabeleli. Wabuthela abamahabhu, abamacilongo, benza konke okuqondene nenkolo ababekwazi ukukwenza; kepha noma kunjalo uNkulunkulu wayengekho kukho! Sengathi siyakubona kuyaphinda futhi, ngabe asikuboni na?

<sup>75</sup> Babuthela bonke abahlabeleli. Babuthela abadlali bohabhu, abafuthi bamacilongo, abesifazane, owesilisa, noma ngubani owayenokuhlabelela; babathatha bonke behlela nabo lapho, futhi bonke bahamba bezizwa benogqozi lwenkolo. Angithandi ukukusho lokhu, kepha kumele ngikusho: Anjalo nalamahlelo namuhla, amaPentekoste nabobonke, bahamba benogqozi lwenkolo lokuhlabelela nokumemeza.

<sup>76</sup> Qaphela, uDavide wamemeza ngawo onke amandla akhe, futhi wampongoloza, futhi wagxuma, wahamba ezizwa egcwele inkolo yonke; kepha futhi noma kunjalo uNkulunkulu wayengekho kuleyonto. Nasenhlosweni yakhe, nasempokophelweni yakhe, nakho konke kwakulungile; kepha wakuphambanisa. Niyabona na? Wanyakazisa konke okuqondene nenkolo: wamemeza, wahlabelela, enabahlabeleli abakhethekileyo, abamemezi abakhethekileyo, nakho konke. Basina emoyeni. Benza konke okufanele inkolo.

<sup>77</sup> Kufana namabutho ethu enkolo amakhulu esikhathi sethu. Babefuna ukuzuzela uKristu izwe. Ayikho into enjalo! Ezinkulu, isibhicongo sezimvuselelo, ezinkulu izinto ezenzekayo, uma bebeqonda, lezonsuku sezedlula. Selehlulelwe! Kepha bakha izindawo zempi yosindiso, izinhlelo, nakho konke; kepha imiphumela isafana nje naleyo yangesikhathi sikaDavide; ayizange isebenze.

<sup>78</sup> Siyahamba sibe nemvuselelo. Okwethu okukhulu— abakhulu babanye babavangeli bethu namuhla, bathi banabaphendukileyo abayizinkulungwane ezingamashumi amathathu emavikini ayisithupha; kothi emva konyaka sebebuyela lapho, bangabe besathola ngisho amashumi amathathu kulabo. Kukhona okungahambi ngakho. Kuyini na, kufana nse nalokho okwenziwa nguDavide. Izicukuthwane ezinkulu, abantu abakhulu, abashumayeli abakhulu, izikole ezinkulu, igunya elikhulu, kepha khona lapho basabuza ehlelweni elidala esikhundleni sokubuka ebusweni beZwi likaNkulunkulu babone ukuba ngabe sekuyiso na isikhathi sonyaka. Soze watshala ukudla okuthize kungakabi yiso isikhathi sakho onyakeni.

<sup>79</sup> Manje, ake sibuke ukuthi kwenzekani. Naphezu kokuba u—ukushisekela kwabo inkonzo nakho konke kwabe kukukhulu, izinhloso zabo zazizinkulu, umbutho wabo wawumkhulu, ukuhlabelela kwabo kwakukhulu, ukusina kwabo kwakukukhulu, ukumemeza kwabo kwakukukhulu, umculo wabo wawumkhulu; futhi babenomphongolo. Usizani umphongolo, ngaphandle kukaNkulunkulu na? Uyibhokisi nje lokhuni, nezibhebhe zamatshe ezimbalwa. Lokho kufana nalokhu—kuthatha iSidlo seNkosi, uthi ubhaphathiziwe. Kusizani ukubhaphathizwa uma ungaphendukile kuqala na? Kusiza-ngani ukuthatha iSidlo kepha ube ngumzencisi, uma ungayiphili impilo khona—ke bese ukholwa yiwo onke amaZwi

kaNkulunkulu na? Uthathe ingxenye yaLo ungalithathi Lonke, kutshengisa ukuthi kukhona okuliphutha.

<sup>80</sup> Manje, nxa konke lokhu kwenzeka... Akesibuke manje ukuthi kwenzekani uma uNkulunkulu nasonyakeni waKhe, esikhathini saKhe, enganakwa, kepha kunakwe abantu.

<sup>81</sup> Abantu abaningi bake bathi kimi, “Kwenziwa yini ungezi kithi usenzele inkonzo na? Impela, siyakumema. Sayinda *lokhu, nalokho*, noma *lokhuya*.” Ake nime! Ningakuthanda, kepha kodwa uthini uNkulunkulu ngakho na? Abaningi abantu uthe kimi... Ngiyaye ngithole isimemo, ngike ngixoxe—ngixoxe okuqondene nomuntu ngamunye ngezinto ezithile—ngilinde kuze kuphele unyaka. Lindanini! Ngingazi kanjani ukuthi kufanele ngithini uma uNkulunkulu engakangitsheni ngokuthi ngikhulumeni na? Uyabo? Kumele ngilinde. Kungakho ngithe, “Kulobe ofuna ukukudalula, bese unginika ngizwe kuYe ukuthi utheni.” Niyabo? Lindani. “Labo abalindela iNkosi bayothola ukuhlunyeleliswa amandla.” Ingabe kunjalo na?

<sup>82</sup> Qaphela, babuza kuphela kumpristi wangalelolanga, nakosiyazi bezenkolo, amahlelo. Futhi qaphela, ngokwenzenjalo, ukubuza kubapristi nokubuza inhlango, ukubuza kubantu, bakwenza kabi.

<sup>83</sup> Qaphela! UMphongolo wawuyiliZwi. Siyazi ukuthi lokho kuliqiniso, ngoba umphongolo unguKristu, noKristu uyiZwi. Niyabona na? UMphongolo noma iZwi alibekwanga endaweni yalo yokuqala, egcotshelwe, endaweni eyayiqalelwe igcotshelwe wona. O, ningabi buthuntu ukukuqonda lokhu, Bandla! Yonke into yabe iphelele, futhi konke kwakubukeka kukuhle, sengathi kwakuza imvuselelo enkulu; kepha ngenxa yokuthi behluleka ukubuza kumuntu okunguyenayena mayelana nalokhu... Babuza kumpristi, babuza ezicukuthwaneni, babuza kosiyazi bezenkolo, babuza kubahlabeleli, bahlanganisa konke nganhliziyonye, kanye nenhlango enkulu yombutho, kanye futhi no—no nemibutho yesizwe; yonke into yayisesivumelwaneni mayelana nomhlango omkhulu; kepha behluleka ukubuza kuNkulunkulu. Nanjengoba kwenza uAhabi; nanjengalokhu kwenza nabanye. Yeka lesosikhathi.

<sup>84</sup> Manje, ungaphunduleki kulokhu! Behluleka ukukuthola, ngokuba babengabuzanga. Ngenxa yokwenzenjalo (bhekisisa!), ngokuya kumpristi, ngokuya kosiyazi bezenkolo, nangokuya embuthweni wezokuvikela, benganaki nakunaka isithunywa—esithunyelwe nguNkulunkulu sangalelohora, uNathani, bakwenza ngendlela okungesiyona. Sizokhanda inqola entsha, futhi sibatshengise into entsha esiqalile.” Nasoke isiprofetho samanga. Umele ukubuyela emuva wenze njengalokhu uNkulunkulu athi kwenze.

<sup>91</sup> Babewubeka emahlombe omLevi, okusho ukuthi ngaphezu kwenhliziyu. UMphongolo, iZwi, alifanele ukuthwalwa ihlelo elisha, lithwalwe ngezifundiso zomuntu, kepha lifanele lingene enhliziyweni. Singabafowethu, odadewethu. Angikhathali noma ungunyelusi ebandleni elinabantu abahlanu kulo, lokho akukwenzi ube ngomncane; lokho kukwenza ube ngumfowethu (niyabo?), uma uqinisekile eZwini likaNkulunkulu. Angikhathali noma ngabe kuyini, kanjani, awubi mncane. UNkulunkulu aka nabo abantwana abancane nabantwana abakhulu. Unabantwana nje kwaphela, futhi-ke bonke bayafana.

<sup>104</sup> Qaphela, uNkulunkulu Luqobo uqhamuka ezindaweni eziphakemeyo eNkazimulweni ukuze azoba ngomunye wethu. Manje ubani ke omkhulu na? Akathatha... .Zanga lapha phansi

ukuzothatha isimo sompristi, kepha waba yinceku futhi wageza lona lolobumba Abeludalile, izinyawo zabapostoli baKhe e... Manje-ke ubani omkhulu na?

<sup>105</sup> Kepha lamadoda, ayesengenwe yinjwayelo. Awaqondanga. Acabanga ukuthi kwakuzokwenzeka into entsha (qhabo), into ayengashongo uNkulunkulu ukuthi yabe izokwenzeka. Bayithatha ngesinxele. Yikhona-ke lokhu okwenza wonke lomndlandla lapho ku—kwaqaleka le emuva endulondulo, ngalinye ihlelo laliba noMelaphi walo; ihlelo ngalinye libe *nalokhu, lokho* noma *lokhuya*. Ihlelo ngalinye libe noDavidana walo. Ngalinye libe *nalokhu, lokho*, noma *lokhuya*. Niyabona ukuthi kwenzekani na? Kwenzeka yona lento eyenzeka lapha. Yona lento. Injwayelo...

<sup>106</sup> IZwi lesikhathi sonyaka, isikhathi ababephila kuso abasazanga.

<sup>107</sup> Qaphela, amahlombe omLevi yiwona ndlela eyahlelwa nguNkulunkulu ukwenza lezizinto. Bethwala lowomphongolo emahlombe omLevi. Okunye ngaphandle kwalokho kwakuphambene. Akushoyo, kuyilokho Ayekuqondile. UNkulunkulu angeguquke. Kungalesosizathu kumelwe kuhlale neZwi laKhe.

<sup>108</sup> NgineZikronike zokuqala 15:15, uma uthanda ukuzibhala phansi. Qaphela, manje qaphela, lapho ekulandeleni uNkulunkulu... Manje, ngithanda ni—nilobe lokhu emqondweni wenu. Ukuze niginine imiyalo kaNkulunkulu, ukuze kwenzelwe uNkulunkulu noma yini elungileyo, ukuze senze—senze inkonzo ngokufanelekile, kuhlanu okufanelekile, ukuze umuntu enzele uNkulunkulu inkonzo ngokuyikho.

<sup>109</sup> Manje, uDavide wayenzela uNkulunkulu inkonzo. Wenza ngayo yonke indlela azi ngayo, ngaphandle kokuthi nje washiya uNkulunkulu. Niyabo? Wayenza into eyabe ilungile, into eyayiyinhle kubantu, into eyayiyinhle ebandleni.

<sup>110</sup> Kepha kunezidingo ezinhlanu; yizo engithanda ukuba nizikhumbule. Akukhathaleki noma umuntu angabaqotho kangakanani ekukwenzeni, ukwenzela uNkulunkulu inkonzo, lesi—kumele zibekhona lezidingo zonhlanu:

Okokuqala, kufanele kwenzeke ngesikhathi saKhe.

<sup>111</sup> Kwakuyothiwani uku—ukuba uMose wayengafika, athi, “Sizofika sizokwakha umkhumbi sintante emfuleni iNile nanjengalokhu kwenza uNowa na?” Isikhathi sikaNowa sasiwulungele umkhumbi, kepha qha isikhathi sakhe.

<sup>112</sup> Ukuba-ke uJesu wafika, wathi, “Manje-ke ngizonitshela ukuthi sizokwenzani. Sizovele sikhuphukele entabeni njengalokhu kwenza uMose simemezele ngemithetho emisha?” Niyabo? Qha, qha! Yena wabe-yilowomthetho. Niyabo? Kumele

ubesikhathini saKhe. Kufanele kubesenkathini yonyaka yaKhe. Manje nikutholile lokho na?

113 Kufanele kube sesikhathini saKhe. Kufanele kube senkathini yonyaka yaKhe, isikhathi nenkathi yonyaka, futhi kufanele kube ngokweZwi laKhe elikhuluniweyo. Kufanele. . .

114 Angikhathali noma ungakubeka kahle ngokuthi lokhu kufanele kube kanje, nalokho kube kanje, noma nalokhu kufanele kube kanje, kufanele kuhambisane neZwi laKhe, kube ngesikhathi saKhe nangenkathi yonyaka yaKhe; futhi kufanele kuvezwe yilowomuntu Amkhethileyo ukuba akwenze ngaye.

115 Anginandaba ukuthi bangabantu abakhulu kangakanani. Nanso inkosi uDavide nayo eyayinkulu njengabanye babo. Wabe-yinkosi phezu kwesizwe. Kepha Wabe-nendlela yokukwenza, futhi Wabe ebatshelile ukuthi uyokwenza kanjani. Kepha behluleka ukukwenza.

116 Kufanele kuye ngokweZwi laKhe, kuye ngesikhathi saKhe, kuye—ngohlelo lwaKhe; futhi kumele kube ngomuntu Amkhethile ukuba akukhulume futhi akwenze.

117 UMose wazama ukukubalekela. “Thath’omunye!” Kepha uNkulunkulu wabekhethe uMose ukuba amsebenzele. Ingingi labo. . . uPawulu wazama ukukubalekela, nabanye abaningi. Kepha kumele kube yilowo Amkhethayo ukwenza umsebenzi. Futhi kumele kuqala kufike kubaprofethi baKhe. IZwi likaNkulunkulu kufanele lifike kubaprofethi baKhe, Amose 3:7, “INkosi uNkulunkulu ayenzi lutho Ingakakwambuli kuqala encekwini yaYo umprofethi.” Kune.

118 Nomprofethi umelwe abe ngofakazelwa yiZwi likaNkulunkulu.

119 Nazo-ke izidingo zakho ezinhlanu. Kumele kuhambe ngaleyondlela: Isikhathi saKhe; inkathi yonyaka yaKhe (uma Esho ukuthi kuyakuba nini); kanye nomuntu Amkhethile, futhi kumele kufike kumprofethi; nomprofethi umele abe ngumprofethi ofakazelweyo. Sithola ingingi labo eBhayibhelini lifika kubaprofethi kepha lalingafakazelwe. Umprofethi wethu nguJesu Kristu.

120 Manje-ke qaphela. Uyabo, uNkulunkulu wayengakayembuli lento kubona ngendlela yaKhe esunguliweyo yokukwenza. Basebemukele indlela kaDavide. Base bemukele indlela yompristi. Base bemukele indlela yababhali, kasiyazi wezenkolo, kepha kungengandlela kaNkulunkulu. UNathaniyeli wa—wabe-ngumprofethi wangalelolanga. Kamuva uNathaniyeli wabatshela ukuthi kabenze kanjani. Kepha buka bakwenza ngaphandle kokuthinta uNathaniyeli. Akukho-zwi elikhomba ukuthi uNathaniyeli wabuzwa. Konke ukududana, baqhubeka ngedumela elikhulu. . . Futhi, o, ngicabanga ngaleloculo:

Ngi—ngigcine, ngisize, Nkosi, lapho izinhliziyozivutha amalangabi,  
Mangithobe ukuziphakamisa (ukuhamba nabasele babo) ngibize kuphela igama laKho;  
Ngifundise ukunganciki kokwenziwa ngabanye,  
Kepha ngilindele ngomkhuleko impendulo kuWe.

Kukanjalo nje. Mangikubone kwenzeka ngendlela okuyiyonayona, khona-ke kuyakholeka.

<sup>121</sup> Manje, uNkulunkulu wembula into kubona ngoDavide, nangabafundisi, nangabantu, nangezinduna zezinkulungwane, nangezinduna zamakhulu, kepha hayi ngoNathaniyeli owayeno ISHO KANJE INKOSI. Futhi iNkosi yathi Ayikwenza lutho Ingakakuhombisi kumprofethi wesikhathi kuqala ukuthi akenzeni. Buka abakwenzayo? Baphuma baphaphalaza eZwini likaNkulunkulu, bahamba babeka umphongolo enqoleni entsha. Niyabona na? Bahamba bakwenza ngokwahlukile emyalweni kaNkulunkulu endleleni ayilungisileyo uNkulunkulu... Kwenzeke kanjalo nanamuhla, bangani. Kungakho sinamabutho amaningi kangaka athi alwela inkolo nokunye kepha akukho miphumela. Kwanda ukungakholwa, kwanda isono, kwanda...ngiyanitshela, lesisizwe ayisekho indaba yaso, kungesiso lesisizwe sodwa, kepha nezinye izizwe. Lesisizwe njengeNgilandi eminyakeni eyadlula sibe yisifebe sazo zonke ezinye izizwe.

<sup>122</sup> Phansi le eMozambique, kubantu abaqhele kude ngamamayela angamakhulu amane namashumi ayisishiyagalombili empucukweni, kwahlongasibi, okungabantwanyana okugqoke kwesingezansi kulalele umculo kaElvis Presley, kunqekuzisa amakhanda kugxumagxuma kanjeya ubusuku bonke kuhleli—leyonjeane ihamba inkulungwane yamamayela iya le eRhodesia ukuyobona uElvis Presley. Kepha bathi, “Ulikholwa impela, yena, noPat Boone nabanye.” Yini na, kunguJuda walelihora, kepha akazi. Lokho-ke kuyingxenyembu. Bakholwa ukuthi—bahamba kahle. Akashongo yini uJesu kuleliBandla loNyaka weLawodekiya ukuthi, “Unqunu, ungowokuhawukelwa, ungolusizi, uphumputhekile, kepha awazi?” Awukwazi lokho!

<sup>123</sup> Yebo, abantwana bamaPentekoste ezansi eAfrika nasemaphethelweni, bathi, “Impela, uElvis Presley, ucula kamnandi ngendlela engakaze ibonwe.” Akungabazisi kufana nse nalokho okwenziwa uDavide futhi; akungabazisi kufana nalokho okwenziwa ngabahlabeleli, kepha kwaletsa ukufa okwahlasela inkambu. Niyabona lapho be—lapho sikhona namuhla bangani na?

<sup>124</sup> Amahlombe omLevi ayeyiyona ndlela kaNkulunkulu yokuqala yokuwuthwala, kepha base bewubeke enqoleni entsha. Manje-ke, ngeke kuze kusebenze. Kazange babuze ngendlela efanele. Niyabona? Ngakho baya ukuyowulanda kepha ngendlela okungesiyona, kwenzeke lokho-ke nanamuhla.

<sup>125</sup> Uma umuntu, akukhathaleki noma ngabe angaqotho kangakanani, azame ukuMkhonza kungengandlela yaKhe ayiqokileyo yokukwambula, bavama njalo ukuyingcolisa. UNkulunkulu uyibeka ngendlela yaKhe. Bakwethu, noma ningaqotho kangakanani nizame ukwenza ngaphandle kokuyikho, ni—niyokuhlanekezela.

<sup>126</sup> NjengoBalamu wayenjalo osukwini lukaBalamu. UNkulunkulu watshela uBalamu, lowomprofethi... Wayengumprofethi, umprofethi uBalamu. Wayengumprofethi, neZwi lafika kuye impela, lathi, “Ungehleli lapho. Bangabakhethiweyo baMi; Bangabaqokwe yiMina.”

UBalamu wayesehlangu nabagqamile, abezempi, abashumayeli, onesithunzi; wayesethi, “Nempela, ngi—ngiyanitshela, inkosi izo...” Niyabo, kufana nakuDavide, kufana nanamuhla, konke kuyafanana uzokubona futhi. Niyakubona, thanini, “Ameni!” [Ibandla liyaphendula, “Ameni!”—Umhl.] Niyabo, niyabo? Kunjengoba kunjalo namanje.

<sup>127</sup> Kepha—aba aba—abafundisi bathi, aba—aba—aba—aba—aba—abapristi bathi, ababhali bathi, osiyazi kwezenkolo bathi, “Iyona ndlela okufanele kwenziwe ngayo.” Kepha kwakungesiyona! Futhi kwafakazeka ukuthi kwakungesiyona.

<sup>128</sup> UNkulunkulu wayesemtshela uBalamu—ukuthi wab’engumprofethi okokuqala—wamtshela wathi, “Ungehleli lapho!”

<sup>129</sup> Kepha ukwejwayelana nalan’amany’amadoda kwamenza akuphambanise nalokho akutshelwe nguNkulunkulu ukuba akwenze, kwase kuphenduka isiqalekiso esikhundleni semvuselelo. O, impela, wehlela lapho wayesefundisa abantu, ethi, “Manje bhokani! Lindelani! Niyazi ukuthini?” Wathi, “Singa—singamaMoabi. Niyakhumbula, indodakazi kaLoti iyindlovukazi yethu. Sadabuka kuyo. Sonke singabagazi linye. Sonke... Sonke thina mahlelo siyefana.” Ungalokothi uzihlanganise naleyo. Deda lapho. Uyabo? Ngakho wathi, “Sonke siyefana. Kungangani, abantu bakho banjengabantu bami. Singaganiselana omunye nomunye, ukuze sibe nenhlangano kazwelonke uqobo. Niyabo? Sonke singahlangu ndawonye sibuyele kokwendabuko futhi.” UNkulunkulu wayeseyiqalekisa leyo. Lesosono zange sithethelelwe kuSrayeli. Sahlala nabo izinsuku zonke zabo. Zange sithethelelwe. Babhubha naso ehlane (kunjalo!), ngoba

bengayithathanga indlela eqokwe nguNkulunkulu ngendlela elungiswe nguYe yokwenza.

<sup>130</sup> Qaphela, lento abayenzayo yenza ukuba uIsrayeli afe ukufa ehlane, wayesethi uJesu, “Bonke babhubha baphela.” Qaphela ukuthi ngubani owama noMose emuva le, nguJoshuwa noKaleb no—nohlelo.

<sup>131</sup> Qaphela futhi, nangu uDavide, nakwenzayo. Esekwenzile, kwenzani na? Kwabangela ukufa okwashaya umuntu oqotho. Ngikholwa ukuthi sisabambekile kulokho, futhi ngithanda nizwe nani enikude. Lento eyenziwa nguDavide engabuzanga kuNathaniyeli athole neZwi leNkosi mayelana nalokho, kwabangela ukufa kushaye abantu abaqotho. Yebo, wabeka isandla sakhe lapho, obekade ehlala phambi komphongolo, waphuma e—ndlini yakhe. Inkabi yase ishelela, umphongolo wase utsheka.

<sup>132</sup> Sebekwenzile vele okukodwa okuliphutha, izinto ezimbili eziliphutha. Okokuqala, zange babuze kuNathaniyeli. Into elandelayo abayenzayo, behlela lapho bengabuzanga eZwini likaNkulunkulu elabe li—uSamuweli wayeyiZwi langalolosuku. Kabazange babuze eZwini leNkosi, ngokwenzenjalo, baphambana neZwi likaNkulunkulu. Nangu lomuntu olungileyo, owabekade—ngumbheki-wabengumbhishobhi-wacabanga, “Qha lapha, angithandi ukuba uNkulunkulu enzeleke phansi.” Ngakho wabeka isandla sakhe emphongolweni, kanti wabengesiye umLevi, wayesefa—izinto ezintathu.

<sup>133</sup> Manje cabangisisa ngempela qaphela okwenziwe ngamahlelo namuhla. Buka? Bakuphikile, bakubiza ngemfundiso yamanga. Uyabo? Buka ukuthi bakuphi. Bayovumelana nenhlangano yabo kazwelonke. Bakubiza ngomqondo wokuzicabangela komuntu, lapho uNkulunkulu eKubonakalisa Luqobo ukuthi kuliQiniso futhi ekufakazisa ukuthi kuliQiniso. “O, bayisixukwanyana nje sezilima enhla laphaya,” bathi; “abakwazi abakhuluma ngakho.” Kunjalo; kasazi. Kepha sisho amazwi aKhe nje, Yena-ke Uyazi ukuthi ukhuluma ngani. Niyabona na? Angikwazi ukuKuchaza, akukho omunye ongalokotha, kepha U—U—UyaKufakazela.

<sup>134</sup> Manje qaphela. Ngokuvamisile ikholwa eli qotho namuhla eliza kuKristu, lifuna ukuza ngenhliziyo yalo yonke, imvamisa libulawa kanjalo ngokomoya. Abantu abaqotho abaningi baya eBandleni eliKatolika benokufuna ukuba ngumKristu, baya eMethodisti, eBaptisti, kwiBandla likaKristu, futhi namaPentekoste imbala (niyabo?), ufuna ukuba ngumKristu, ubeka isandla sakhe kulo, azihlanganise nabo.

<sup>135</sup> Lapho uDavide esebone lokhu kwenzeka, kwamphaphamisa. Ungaphaphami isikhathi sesedlulile lapho, mfowethu. Wakubona ukufa ukuthi kwashaya. Ngikhombise

imiphumela. Kwenziwe yini lokho okubizwa ngokuthi imvuselelo kepha kubuyisele abantu emuva emasontweni kwenziwe esizweni e—emzimbeni wamakholwa na? Akulutho ngaphandle kokuthi kwenziwe yizinhlelo ezintsha namahlelo kusukela kudala, kwandiswa amalunga nokunye. Ngabe isizwe singcono na?

<sup>136</sup> Bathe bazo...iMelika—“Nkulunkulu busisa iMelika, iyi—iyisizwe, iyizwe lamaKristu.” Iqhele ngamamayela ayisigidi ekubeni yizwe lamaKristu! Angilokothi ngisho ukuyikhulekela. Ngingayikhulekela kanjani, uma ingakwazi ukuphenduka phansi kwalamandla amakhulu kaNkulunkulu ebonakaliswa phambi kwayo, futhi iphika, futhi ivala iminyango kuwo, isuke ihambe na? Ngiyinikela kuNkulunkulu. Kepha iqhela kakhulu, manje isizocwila. Bheka nje ukuthi kwenzekani.

<sup>137</sup> Abantu abaningi abaqotho bahamba bazihlanganise nenhlangano, noma isixuku, noma inkolo ethize yokunye, lapho-ke bayafa ngokomoya. Akukho ongabatshele khona. Ingeniswa shi lento kubona: “Kungaba kanjani, laba babhishophi basho *lokhu*, *nalona* washo lokhu; *lona* washo lokhu.” Batshengise khona lapha eZwini likaNkulunkulu lapho kuthi khona ISHO KANJE INKOSI, “Kepha umfundisi wethu...” Anginendaba ukuthi umfundisi wenu uthini, akunandaba ukuthi ngithini, noma ubani omunye usho utho. Uma kuphambene neZwi elibonakalisiwe likaNkulunkulu, lalelihora, lalesisikhathi, uMlayezo, nokunye, khohlwa yileyonto! Suka kukho. <sup>146</sup> Thola ukuthi ukuba uDavide kumbe noma yimuphi kubo owayeyobuza kuphela esiNkweni sehora. Uma abapristi, nabaprofethi, nabashumayeli, nosiyazi bezenkolo, nezikole, namahlelo babebuze kuphela ehoreni, kepha manje akusenakubasiza. Sekusukile. Akunakusiza ngisho naka nci. Selihambile manje. Seledlule kulowomugqa cishe eminyakeni emihlanu eyedlule, phakathi kokuphenduka, ukwahlulelwa, nomusa.

<sup>147</sup> Qaphela, kulandelani manje? Kungenziwa njani na? Kufanele kwenziweni na? Asibuze kumprofethi, iBhayibheli, lapho khona singenakwenezelela kuLo noma siphungule kuLo. Uma sikwenza, uNkulunkulu uyasisusa eNewadini yokuPhila. IBhayibheli lasho kuMalak 4 ukuthi kuyokwenzekani kulesisikhathi namhlanje, iSambulo 10, siyachaza ukuthi ziyovulwa kanjani iziMpawu eziyisiKhombisa kwembulwe futhi zonke lezizimfihlakalo ebekade zifihliwe kulababalungisi besimo sevangeli. Washo wathi kuyokwenziwa kanjani. KuseBhayibhelini, ISHO KANJE INKOSI. Ngokugcwele, okuphelele uNkulunkulu ubonakalisile loKho wakuveza KuyiQiniso ngezibonakaliso, izimangaliso emazulwini nasezibhakabhakeni, nakho konke okunye iminyaka engamashumi amathathu. Ucabanga ukuthi bayolalela kulokho

na? Qha, bafile. Babeke isandla sabo entweni ebulale konke. Qhabo, ngeke—ngeke, akusophinde.

<sup>148</sup> Kulapho lento yenzeka khona khona-ke uDavide wabona. O, Nkulunkulu, sithumelele onjengoDavide yena ozobona lapho emi khona, ozobheka abone uNkulunkulu owenze isethembiso e—ukuthi Uyokukwenza kanjani namuhla. UNkulunkulu ushilo lapha eZwini laKhe ukuthi Uyakukwenza kanjani.

<sup>149</sup> UNkulunkulu watshela uMikaya; uMikaya wawuhlola umbono wakhe ngaphambi kwabaprofethi abangamakhulu amane abagqamileyo. Wawuhlola umbono wakhe ukubona ukuthi wabe ulungile na. Wabuka emuva kulokho okwabe kushiwo ngumprofethi owabengaphambi kwakhe ukubona ukuthi kwakwenzekeni. Wabuka emuva, wayeseyambona lowoElija emi lapho, ethi, “Ahabi, izinja ziyoxhapha igazi lakho nawe.” Manje, wayeseyabonake ukuthi lowombono wawuhambisana neZwi likaNkulunkulu impela, ngakho wayesephumisela; futhi wayeneqiniso. Kunjalo. Akukhathaleki ukuthi abanye bathini, yena wahlala naleloZwi nje kuphela.

<sup>150</sup> Manje, akesibuke embonweni esinawo namuhla. Kungabe kungukwakha amasonto na? Kungabe kungukwakha izinto ezintsha na? Kungabe izinto ezinkulu ezizokwenzeka, noma ukwahlulela na? Bheka emuva ubuke isethembiso sanamuhla. Ubuke isikhathi sonyaka esiphila kusona.

<sup>151</sup> Wena uthi, “Makabusise uNkulunkulu, mfowethu, mina ngiqotho. Ngijoyina isonto. Ngineziqo zami zobuciko. Ngenze *lokhu*.” Konke kulungile. Kuhle; angiphikisani nakho. Wayenjalo noDavide; babenjalo nabapristi bangalelolanga; babenjalo nosiyazi bezenkolo; kepha kwakuphambene neZwi.

<sup>152</sup> UNkulunkulu washo ukuthi Uyakukwenza kanjani namuhla, ukuthi Uyakubuyisela kanjani konke, ukuthi Uyakwenzani futhi. Uthembisile ukubuyisela. Kunjalo impela. KuJoweli 2:28 Wathembisa ukuthi Uyakubuyisela: “Ngiyakubuyisela, isho iNkosi, yonke iminyaka eyadliwa yisikhonyane.” Bane. . . Niyabo, kuseyisona lesi silwanekazana. Sisebenza ngokuguquka kwesigaba sempilo yaso. Lapho amaKatolika eqala ukudla, kwase kulandela amaLuthela, amaWeseli, nama Pentekoste, nabo bonke, kwehle njalo. Wathi, “Ngiyakubuyisela konke ngikubuyisele eBandleni impela njengoba lalinjalo ekuqaleni.”

<sup>153</sup> Qaphela embonweni ngobunye ubusuku. Impela yena lowoMlobokazi eza ngakulelicala eza ngakulelicala. Emva kwalokho izifebe zedlula zigqoke amagawuni azo, amayikayikana abheke le eceleni, zidansa umdanso wezwe, zizibiza ngebandla. Wena uthi, “Qha, thina asikwenzi lokho.” Kepha uNkulunkulu ukubona unjalo. Akuyi ngokuthi wena uzibona unjani; kuya ngendlela uNkulunkulu akubona uyiyo. Akekho umuntu ozibona iphutha. Kuphela uma uzibuka

esibukweni seZwi likaNkulunkulu, Siyakutshela noma unephutha noma awunalo. Ukuba uDavide wayenzenjalo, wayeyobona ukuthi wenza iphutha. Ukuba uAhabi wayenzenjalo, noma ukuba abaprofethi babenze njalo, babeyozibona ukuthi babenephutha.

<sup>154</sup> Umprofethi ofakazelwe wathi uAhabi uyofa nezinja ziyoxhapha igazi lakhe. Nesiprofetho sakhe sabanjengalokho kushiwo. Ngakho waqonda ukuthi wabe eqinisile. Ngisho noJehoshafati kwakufanele akubone lokho futhi akwazi. Ngenkathi uMikaya ebona umbono, wayengesiye o—ojwayelene nabantu kangako ngalezozinsuku, kepha wayeno ISHO KANJE INKOSI. Wabe eqinisile.

<sup>155</sup> Qaphela, siveza lokho manje kulolusuku lapho sibona khona iawa elikhulu esizofinyelela kulo. Qaphela futhi ukuthi uDavide wayezama ukwenzani. Nginesiqeshana lapha enginaso mayelana nalokho. Wayezama ukuletha umphongolo emzini kaDavide, ihlelo lakhe.

<sup>156</sup> Bheka emuva le lapho iNkosi yakhuluma ezansi la emfuleni: “Njengo Johane umBhaphathizi wathunywa ukubikezela ukufika kokuqala...” Mfowethu, amaAssemblies kawakwazanga ukukumela lokho, ngisho iUnited, bonke abanye. Kwakufanele babenaye oyedwa ndawondawo. A, bakwenza bonke. Niyabo? Impela. Bonke bawuletha endlini yabo.

<sup>157</sup> Wayefuna ukuwuletha emzini kaDavide? Ngani na? Yayingakabibikho indawo eyabe isilungiselelwe wona. Kungakho ke ungeke nje waletha uMlayezo ehlelweni. IZwi; umPhongolo; uKristu, onguye izolo, namuhla, naphakade; nakho konke ukuzibonakalisa kwaKhe; ngeke uWulethe enhlanganweni yakho. Ngeke baWukholwe, ngoba ayikho indawo yaWo. Ngabe alisho yini kanjalo iBhayibheli ukuthi Wayengaphandle kwebandla lonyaka waseLawodekiya ezama ukungena na? Yabe ingekho indawo emzini kaDavide, noma ngabe kwakwethembeke kangakanani, noma wawumkhulu kangakanani, no—nokunye. Noma kunjalo kwakungakabibikho ndawo; kwakufanele ubeseJerusalem. Kulapho-ke wayiswa khona kamuva lapho umprofethi ebatshela ukuthi abawenzenjani. Niyabo? Ngakho uDavide wafuna ukuwusa emzini wakhe. Yayingakalungi indawo yawo.

<sup>158</sup> UKristu ungumPhongolo wethu, futhi ngeke baWemukele. UKristu uyiZwi. Ngeke baLemukele. Bafuna imibhedesho yabo, ihlelo labo, umphongolo omusha, noma—noma—noma inqola entsha. Bafuna Uthwalwe yihlelo, umphongolo omusha. Khumbula uKristu ungumPhongolo wethu. Niyakholwa ukuthi uKristu LIyiZwi na? Uma kunjalo ungumPhongolo ke. Kunjalo na? Yebo. UKristu akanakuthwalwa nanoma yiyiphi inqola yehlelo asiwe endaweni yaKhe. Usebenza ngomuntu oyedwa

hhayi ngesixuku. Akazange Asebenze ngesixuku; kepha ngomuntu oyedwa. Uma E...?...Uma Akwenza, Uphambene phela neZwi laKhe, ku Amose 3:7. Ngeke uLenze liqambe amanga. Qha, mnumzane! Kuli-kuliqiniso.

<sup>159</sup> Kepha bukani, bazama...UmPhongolo awunakuthwalwa yinhlango; maningi kakhulu amakhanda akuyo. Niyabo? Akunakwenziwa. Uthembisile ukuthi Akanakukwenza, futhi ngeke Akwenze. <sup>160</sup> Ngalokho Wa—Wathembisa ukuthi Uyokwenza ngandlelathize, futhi-ke konke okuphambene nalokho Akanakukwenza. Niyabo? Kepha ngaleyondlela yaKhe yakuqala njengalokho Akusho kuAmose 3:7, yileyondlela ke Ayokwenza ngayo. Lokho-ke kumele kube ngokubonakalisiwe kwafakazelwa ukuthi kuyikho. Manje, niyakwazi Akuthembise namuhla, ngakho Uyakwenza namuhla. Kuyikhona impela Athe Uyakukwenza: Uyovula lezoMpawu eziyisiKhombisa, nakho konke Ayakukwenza; ukwambula izimfihlakalo emuva le, nokuthi lemibhaphathizo nakho konke kuxovwe kanjani. Manje nakhu phambi kwaKhe impela. Ochwepheshe bayakufakazela. Amazulu akumemezele. Umuntu umile, uyakubuka ukubona kwenzeka. Akukho nakunye okuphuthileyo kulokho Akushilo kodwa ilokho Akwenze kwaba yiqiniso. Ulapho-ke. Ukuze phela ubone ukuthi sikuphi namuhla.

<sup>161</sup> Manje, noma yimuphi umuntu onemimoya yakhe uyazi—onoMoya kaNkulunkulu kuye, uyazi ukuthi leli yiQiniso; ngokuba uMoya kaNkulunkulu kawunakukhuluma okuphambene neZwi. O qha, Uyohambisana neZwi ngqo. Wena uthi, “Nginawo uMoya oNgcwele. Ngibululile: Ngikhulume ngezilimi. Ngisine eMoyeni.” Lokho akuthi shu kuNkulunkulu. Niyabo? UDavide wenza khona lokho—ngokwenza yona leyonto emuva le. Bahlabelela ngamandla akhe onke, futhi wamemeza ngawo onke amandla akhe; bonke abanye benzenjalo, futhi baqonde ngqo ekufeni. Kunjalo! Akusizi lutho; yiZwi okuyilona lona, iZwi leNkosi. Labo abalinda eNkosini. Yebo, mnumzane!

<sup>162</sup> Niyabona, labo abanoMoya kaNkulunkulu kubo babuka esethembisweni sanamuhla, baqaphele, balinde futhi baze basibone, beseke bethi, “Kuyiso.” UNkulunkulu uyasembula kubo.

<sup>163</sup> Njengo Nathaniyeli. UFiliphu wahamba wathola uNathaniyeli, uNathaniyeli wasethi, “Manje, lindani kancane ngiyazi ukuthi lokho kuthenjisiwe, kepha ake ngiKubone.” Nalapho eseKubonile, wathi, “KuyiKho.”

Owesifazane wathi, “Manje, ngiyazi, ngizwile ngabo bonke abazinhlobonhlobo osiyazi bezenkolo. Ngenze *lokhu nalokho*.

Futhi ngizifundele mina qobo eBhayibhelini, futhi ngiyazi ukuthi si—kukhona uMesiya ozayo oyokwenza lezizinto, ngakho umele ukuba ngumprofethi waKhe.”

Wathi, “NginguYe.”

<sup>164</sup> Wayesethi, “Wozani, nibone uMuntu, yiKho.” Walinda waze wambona lowo Mesiya ebonakaliswa yiZwi likaNkulunkulu.

Wayesethi-ke, “Yilokhu-ke ebesikulindele iminyaka engamakhulu amane. Besilokhu singenamprofethi nanto enjalo. Nangu lapha, naYe futhi Qobo lwaKhe uthi UnguYe. <sup>166</sup> Manje, Ukuthembisile ezinsukwini zokugcina Ayakukwenza. Futhi Ubathumele—thina uMlayezo, naloMlayezo uyakuba nesibonakaliso esifanayo naleso sikaElija, njengalokhu uElisha abanaso, njenganoJohane umBhaphathizi abanaso. Futhi Uyakuguqula izinhliziyi zabantu, zingayi ehlelweni, kepha emuva kokokuqala, kobaba abapostoli, emuva eZwini. Lezizinto zibonakalisiwe. Kuyakwenzeka ekubetheni kwengilosi yokugcina, kuSambulo 10: “Ngezinsuku zengilosi yesikhombisa lezizimfihlakalo ebekade zi . . .”

Ukuthi kwakwenziwa yini amaWeseli enze *lokhu*, namaBaptisti, neBandla likaKristu, noFakazi bakaJehova, bonke benze *lokho* na?

Lezizimfihlakalo ziyakwambulwa ezinsukwini zokugcina lapho izingilosi eziyisikhombisa-uMlayezowengilosi yesikhombisa, lapho isi, hhayi lapho iqala ukwenza lokhu, kepha lapho iqala ukumemezela uMlayezo wayo. Nakulokho—kuxilonga okukhulu-ngangokuba izwe liyoba nokungabaza—basamangala ukuthi kwenzekeni.

<sup>167</sup> E-Tucson abaxilongi abakhulu bathwebula isithombe salokho phezulu laphaya, basamangala ukuthi kwenzekani. Kuyini na? Basakuloba ephepheni, “Kungabe ukhona owazi utho ngakho na? Lapho lezizinto zenzeka, ukuzamazama komhlaba kuzindawo ngezindawo, khonake kuyakuqhamuka isibonakaliso seNdodana yomuntu emazulwini.” Ngalolosuku (kuLuka) iNdodana yomuntu Iyozembula luqobo futhi, Yambulwe luqobo. Nezwe liyakuba ngelibukeka njengeSodoma neGomora. O bakithi, bazalwane, musani ukuba ngabangaziyo izinto zikamoya. Niyabo? Hlolani umBhalo ngoba nicabanga—kuyo ninokuphila okuPhakade, yiyona efakaza ngeZwi. Yiyona efakaza ngeQiniso, ngezinto uNkulunkulu azenzayo ngalelihora.

<sup>168</sup> Namanje, qaphelani! Labo abanoMoya kaNkulunkulu bayazilindela lezizinto. Nalapho sebona lezizinto, bayazikhulwa lezizinto. UJesu wathi, “Akekho ongeza kiMi uma uBaba engamdonsi, nabo bonke labo uBaba aNginike bona (unguLiZwi), bayakuza kiMi—bayakuza kiMi.”

Uyakumletha kanjani uMlobokazi waKhe lapha na? NgeZwi labaprofethi. Wamkhomba kanjani mhla Efika na? Ngomuntu owayenomoya kaElijah kuye evela ehlane. Uyakumkhomba kanjani uMlobokazi waKhe na? Wethembisa kuMalaki 4 yona leyonto ngaphambi kokuba Abhubhise umhlaba njengoba kwaba njalo ezinsukwini zeSodoma.

<sup>172</sup> Khumbula, iSodoma lasha. Kungabe kunjalo na? Impela, lelizwe kumele lishe. UJesu washo njalo. Kuyakuba isikhathi lapho—njengakuLuka isahluko 17 nevesi 30 kwathiwa: “Ngalezozinsuku kuyakuba njengeSodoma neGomora, khona ke iNdodana yomuntu iyakwambulwa.”

Phoke kuyokwenzekani na? NgokukaMalaki, Uyoshisa umhlaba futhi, nabalungileyo kuminyaka eyinkulungwane bayakunyathela phezu komlotha wababi. Ngabe kunjalo na? Niyabo?
