USathane engenisa bonke a—abantu futhi ufika ujika nge... abaduduzi bakhe, ababebizwa kanjalo, futhi bembeka icala, akuzange kumnyakazise nakancu. Kodwa lapho iZwi likaNkulunkulu liqala ukuqinisekiswa kuye...Wayezwile ngoNkulunkulu ngokuzwa kwendlebe, kodwa ngelinye ilanga ehlezi phandle esikhathini sakhe esiphansi kunazonke... Futhi esahlezi lapho, futhi wonke umuntu embeka icala, ngisho nomkakhe emtshela ukuthi waye "nephutha," wayenwaya amathumba akhe. NoElihu wehla futhi wamsola ngokuba ngonobugovu, ngendlela ayebeka ngayo icala uNkulunkulu kanjalonjalo.

⁹⁵ Kwase kuthi-ke ngalesosikhathi kwakulapho efikelwa ngukuphefumulelwa, yilapho imibani eqala ukubaneka khona, imidumo iqala ukuduma, lapho kungenkathi ukuphefumulelwa kufika kumprofethi, wayesesukuma, wayesethi, "Ngiyazi uMhlengi wami ukhona! Futhi ngemihla yokuphela Uyoma phezu kwalomhlaba. Nakuba izibungu zesikhumba zibhubhisa

lomzimba, nokho enyameni yami ngiyakumbona uNkulunkulu, Engiyakumbona mina uqobo.”

⁹⁶ Wabona... Babekade bekhuluma ngezihlahla, impilo yezitshalo, ukuthi sifa kanjani sibuye siphile futhi; amanzi ayasibuyisa futhi, ukunuka kwamanzi, iphunga lamanzi, imiphumela yamanzi ithelwa esihlahleni noma okuthize, imbewu eyangena emhlabathini. Wathi, “Kepha umuntu ulala phansi agqabuke, abantwana bakhe bayafika ukuzohlonipha futhi akakuboni. O sengathi ungangifihla ethuneni” (uJobe 14) “kuze kwedlule ulaka lwaKho.” Wathi, “Kepha uma umuntu efa, uyakubuye aphile na? Zonke izinsuku zomshikashika wokuphila kwami, ngiyakulinda kuze kufike ukumuka kwami. Uyakungibiza, mina ngiphendule. Ungibekele imikhawulo ukuze ngingedluli,” kanjalonjalo. Wayezazi zonke lezizinto. Wayebhekisisa isihlahla siphila, kodwa kwenzekani kumuntu uma efa na? Akavukanga futhi. Ngakho, uNkulunkulu wayemkhombisa loMhlengi.

⁹⁷ Wayefuna ukubona ukuthi wayekhona yini umuntu owayengamnxusela. Wayekade enxusele abantu abaningi, kodwa manje ngabe ukhona umuntu ongamkhulumela na? Ngabe wayekhona umuntu owayengabeka isandla sakhe phezu kukaJobe, noma phezu komuntu oyisoni noNkulunkulu oNgcwele, bese enza ibriji libe yindlela na? Ngabe wayengaya endlini yaKhe futhi angqongqoze emnyango na? Ngabe Wayeyovula umnyango bese ekhuluma naye isikhashana na?

⁹⁸ Kodwa, manje-ke, lapho ukuphefumulelwa sekuqathakela enhliziyweni yakhe, khona-ke wayesekwazi ukubona uNkulunkulu. Umbani uyabaneka, izulu liyaduma. Futhi lapho likwenza, wama ngezinyawo zakhe, wayesethi, “Ngiyazi uMhlengi wami ukhona! UMhlengi wami, futhi ngemihla yokuphela Uyoma emhlabeni.” Niyabo, wayeseqale ukubona ukuphendula kukaNkulunkulu ekukholweni kwakhe.

⁹⁹ Manje, siyamangala ukuthi besingambona yini uNkulunkulu. Ngabe ikhona yini indlela ebesingaMbona ngayo na? Manje, kwakuyindlela kuphela uNkulunkulu ayenayo, ehlola uJobe. Wathi, “Ngizwile ngaWe ngokuzwa kwendlebe, kepha manje ngiyaKubona. Kepha manje ngiyaKubona, ngamehlo ami.” Umbono wongabonwa wase wenziwe waba sobala. Wabona ifu liphithizela, wakuzwa ukubaneka kombani, noma wakubona. Futhi wakubona ukuduma kwezulu, mhlawumbe ngosuku olwalubalele, futhi wambona uNkulunkulu wayekulelofu nakulowombani. Wayekwazi ukubona uNkulunkulu, ngamehlo akhe emvelo. Niyabo, ngoba ongabonwayo wenziwa waba ngobonwayo. Umbono obonwayo wabanye waqinisekiswa-ke, usobala, esweni lemvelo.

¹⁰⁰ Njengokukholwa nje nemisebenzi, njengoba sikhulume ngakho izolo ebusuku. UAbrahama, qhabo... wayengenalo

ngisho neBhayibheli ukuba alifunde, kodwa wayengumprofethi, umbono wakhe nokukholwa kwakhe. Futhi kwakubonakala sengathi kwakungafanele kwabanye ukuba acabange ngaleyondlela, ukuthi wayefanele acabange ukuthi wayezoba nengane. Kodwa babanayo ingane, ngoba umbono wakhe wengane wawuyilokho ayekhuluma ngakho, “Ngizoba nayo! Ngizoba nayo!” Kodwa lapho ingane isizalwa, khona-ke abanye abantu bakwazi ukukubona ngeso lokho akubona ngeso embonweni. Futhi uma uhamba wenze lokho okukholwayo enhliziyweni yakho, khona-ke abantu bayamazi uNkulunkulu, futhi bayazi ukuthi kwenzekani kuwe, ngendlela owenza ngayo. Umbona kanjalo-ke uNkulunkulu ngeso. Kodwa kuye, nakuba wayenze lokho okwakukuhle, konke lokho ayekwenzele abanye, wayedinga umuntu ayezomnxusela. Nxa kufika ukuzalwa kwengane, uIsaka, u—ukuphefumulelwa okwakumholele kulokhu kwakuqinisekise umbono wakhe kuye lapho abantu ababekwazi khona ukubona ukuthi lokho ayekubonile embonweni kwakuyiQiniso ngempela.

¹⁰¹ Manje, ngezinye izikhathi lokhu ukushaya kwemithambo yokukholwa kufika ngqo ngesikhathi esibucayi. Ngokuvamile ngubucayi obu obusiqhubela kulokhu. Kwakungubucayi obaqhubela uJobe kulokhu. Ngani, wayesesekugcineni kwempilo yakhe. Abantwana bakhe wayesefile; amakameli akhe. Nakho konke okwezimpahla zakhe kwakungasekho futhi kwabhujiswa. Ukuphila kwakhe uqobo, wayeqhumuke kusukela emqheleni wekhanda lakhe kuya ematheni ezinyayo zakhe enamathumba. Kwakungubucayi, ukuthi wazicindezela yena uqobo, yilapho-ke ukuphefumulelwa okwakumfikela khona.

¹⁰² Owesilisa nabesifazane, kulobubusuku, ukuba beningaqalaza bese nibona ukuthi sisondele kangakanani ekuFikeni kweNkosi. Nina enivale umbhaphathizo kaMoya oNgcwele. Ningahle ukuba benethembele emadlingozini athile, noma into eniyenzile uSathane angayilingisa, futhi ningabi noMoya wangempela kini ukuba nihambe indlela yonke ezithembisweni zikaNkulunkulu. Angakwenzn kanjani umuntu ozisho ukuthi unoMoya oNgcwele aphike iZwi elilodwa laleliBhayibheli, ngokuthi, “aliqinisile na”? Ungeke wakwenza!

¹⁰³ Akunandaba ukuthi unenkolo kangakanani, ukuthi usonta emabandleni amangaki, ukuthi igama lakho lisemabhukwini amangaki, uma lowoMoya oNgcwele wangoqobo ukuwe (oyileliZwi elibonakalisiwe) uzowubona uMlayezo nehora, ngoba nguMoya oNgcwele okwenzayo. Kodwa kuzofanele kube nento ethize ekhanyisa lokho, ukuphefumulelwa kufika kuwe. Futhi uma kukhona... uma uthela amanzi emhlabathini, emhlabathini, emhlabathini, futhi kungekho-mbewu lapho ukufika kuyo, ingake ithele kanjani noma yini na? Akukho-lutho lapho yokuthela. Lokho ngokuthi, ukuthi abaKhethiweyo bakaNkulunkulu kuphela abazoLibona.

¹⁰⁴ AbaKhethiweyo bakaNkulunkulu baLibona ngesikhathi sikaNowa, isikhathi sikaMose, isikhathi sikaJesu, isikhathi sabaphostoli, isikhathi sikaLuther, isikhathi sikaWesley, isikhathi sePentekoste, ngoba leyo kwakuyiMbewu eyayisemhlabeni ngenkathi lokhu ukuphefumulelwa kuthululwa. Manje ngenkathi ukuphefumulelwa kusathululwa, ukuqoqela ndawonye uMlobokazi, yilabo kuphela abaKhethiwe abazoLibona. UJesu wathi, “NgiyaKubonga, Baba, ukuthi Ukufihlile lokhu emehlweni abahlakaniphile nabanokuqonda, futhi waKwembulela izingane zona ezifundayo.” Manje, ukuphefumulelwa kufanele kufinyelele kukho.

¹⁰⁵ Manje, ngenkathi ukuphefumulelwa kufika kuye, kwenziwa yilokho. WabanaKho-ke! Manje, siyathola, nakho kufika isikhathi salobubucayi uma kukhona ukucindezela ngqo. Futhi qalazani namhlanje, bukani isimo esiphila kuso. Asiphili khona yini eSodoma naseGomora lesimodeni na? Alibuyanga yini izwe na? Lelo kwakuyizwe labeZizwe elabhujiwa ngaleyonkathi, ngomlilo. Akashongo yini uJesu, kuLuka oNgcwele, isahluko 17, ivesi 28, 29, nelama 30, ukuthi, “Njengoba kwenzeka emihleni yaseSodoma, kuyakuba-njalo ekufikeni kweNdodana yomuntu, lapho iNdodana yomuntu yembulwa na”? Yini eye “mbuliwe na”? Yimfihlo eyazisiweyo, isambulo; ngukwembula noma ukwazisa imfihlo.

Futhi asiphili khona onyakeni kaLuther, unyaka kaWesley, noma unyaka wePentekoste. Unyaka wePentekoste kuphela wawungukubuyiselwa kweziphwi zibuyela ebandleni, kodwa siphila esikhathini sokuhlwa, siphila esikhathini sokubizelwa ngaphandle koMlobokazi.

Abakwazi ukuKubona, uJesu waze wabakhulekela, wathi, “Babephuphuthekile, kanti babengakwazi.” Isambulo siyasitshela, kulonyaka webandla laseLawodikeya, ngenkathi Ekhishelwa ngaphandle kwebandla, ukuthi babe “hamba-ze! bempofu! bengabokuhawukelwa! bephuphuthekile! kanti kabazi.” Sekubuyile futhi, abakwazi ukuKubona, abakwazi ukuKuqonda. Bangene ngesikhulu isinyelela emasikweni!

108 Kodwa khumbulani isithembiso seZwi likaNkulunkulu ngomlomo kaJesu Kristu, yena impela uNkulunkulu owakhuluma kwavela okudaliweyo, WayenguYe ngaphambi kokusekelwa kwezwe owakhuluma amazwi “Futhi makubekhona,” futhi kwabakhona. Ngokuba Wathi, “Wayesezweni, nezwe lenziwa nguYe, nezwe aliMazanga. Kepha labo abaMaziyo, Wabanika amandla ukuba babengamadodana kaNkulunkulu.” UMdali impela, noMdali impela uqobo lwaKhe, ngenkathi Evusa uLazaru ekufeni, Wathi, “Ningamangali ngalokhu, ngokuba ihora liyeza lapho bonke abasethuneni beyakulizwa iPhimbo leNdodana yomuntu, futhi baphume.” UNkulunkulu impela owathi “Makube-khona ukuKhanya,” wathi “IPhimbo leNdodana yomuntu liyovusa labo abasethuneni.” Kufanele kwenzeke ngesikhathi sakho sonyaka. Wakhuluma, “Makube-khona iduna nesikazi,” kanjalonjalo, nakho konke lokhu, iminyaka na, makhulu eminyaka kungakenzeki.

109 Ukuphefumulelwa kwashaya umprofethi uIsaya, wathi, “Sizalelwe umntwana, siphise indodana. IGama laKhe liyakuthiwa uMluleki, iNkosi yokuThula, uNkulunkulu onaMandla, uYise ongunaphakade.” Kwedlula iminyaka, izinyanga, iminyaka, izinsuku, amaviki, iminyaka isongeka, amakhulu eminyaka esongeka. Eminyakeni engamakhulu ayisishiyagalombili kamuva, uEmanuweli wazalwa yintombi! Ngani? Yingoba kwakhulunywa yizindebe zomprofethi ogcotshiwe, kwaphuma imbewu. Niyabo? “Nalelohora elikhulu,” wathi, “ningafuna... celani kiMi umbono noma isibonakaliso.”

111 Manje, sithola ukuthi ngalawomahora okuxineka ngempela, lokho ngokuvamile kungalenkathi uMoya kaNkulunkulu ungena khona. Udedela abantwana bamaHeberu bahambe bayongena ngqo esithandweni somlilo, ngaphambi kokuba Aze anyakazise isandla. Kodwa uma Esenyakaza, Uyanyakaza.

112 Manje, siyaqaphela lapha ukuthi kuLuka, i—isahluko 17, nevesi 30, ukuthi Wathi, “Ngezinsuku zokugcina, ukuthi iNdodana yomuntu Iyozembula yona uqobo njengoba Yenza ngaphambi nje kweSodoma neGomora, nalesosimo esifanayo siyobakhona.” Washo mayelana noMose, mayelana... futhi ngiyaxolisa, hhayi ngoMose, kodwa ngoNowa. Ukuthi abantu waye “dla, ephuza, kanjalonjalo beganwa bendiswa.” Useyafika-ke, Wathi, “Manje, njengoba kwenzeka emihleni kaLoti, kuyakuba-njalo ngesikhathi lapho iNdodana yomuntu yembulwa.” Manje, bhekisisani, iNdodana yomuntu yembulwa eqenjini lika-Abrahama, njengomuntu, umprofethi esimweni

senyama yomuntu, umuntu ojwayelekile nje enothuli ezingutsheni zaKhe, noAbrahama waMbiza ngo “Elohim.”

113 Manje, uJesu uyethembisa lapha ukuthi ngezinsuku zokugcina iNdodana yomuntu iyokwambulwa futhi kulolohlobo olufanayo lweqembu, iNzalo yobukhosi ka-Abrahama, ngaphambi nje kokuba umlilo wehle. Nebandla libheke iNdodana ethenjisiweyo, Iyofika ngqo emva kwezinsuku zalenkonzo, Iyokwembulwa amazwini. Manje, sikubona ngokusobala kakhulu, kufanele kube njalo. Manje, into kuphela ezofanele ibekhona yinto eshaya njengemithambo, ingena kumuntu, uNkulunkulu uyaqinisekisa futhi amtshela futhi ambonise ukuthi leyonto yinto okufanele yenzeke; nokuthi uzo . . .

114 Njengoba kwenza uMose, wayengafuni ukukhulula labobantwana, kodwa uNkulunkulu wakhuluma kuye esihlahleni esivuthayo. Wayengafuni ukuhamba, kodwa wayefanele ahambe. IIndodana yomuntu, Yenzani na? Yayizazi izimfihlo eyayisenhliziyweni kaSara. Futhi inika isithembiso kuAbrahama. UAbrahama wayelizwile iPhimbo likaNkulunkulu, ngahle ukuba wayeMbonile ngezindlela eziningi ezehlukene (angazi ukuthi Wakhuluma kanjani kuye, ngamaphupho noma ngeziprofetho), kodwa ngalesisikhathi waMbona. “Ngizwile ngaWe, manje sengiyaKubona.”
