To Whom It May Concern:

Re: Fluke Networks (DSX-5000 CableAnalyzer Series Copper Cable Certifiers)

Wavenet, Inc. evaluates and confirms that Fluke Networks testers (DSX-5000 CableAnalyzer Series Copper Cable Certifiers) are approved testers to perform Permanent and Channel Link tests in accordance with ANSI/TIA, ISO/IEC test standards and requirements.

Furthermore, these series testers are fully compliant with Wavenet 25-Year Copper Cabling Systems Performance Warranty requirements as approved testers for certification based on ANSI/TIA, ISO/IEC test standards and requirements.

Wavenet, Inc. will advise that the latest calibration date performed by manufacturer's specifications and guidelines with properly maintained is highly recommended.

If you have any questions or concerns, please feel free to contact me at your convenience.

Best regards,

Sam Hen
Product Manager
