Fluke Built, Fluke Protected

Reduce unplanned expenses and get the most out of your tools with Fluke Premium Care

When you invest in the best equipment in the industry, you want your money to go as far as possible. Fluke Premium Care provides coverage above and beyond your tool's original product warranty, so you don't need to worry about unexpected downtime caused by damaged test equipment, accessories, or tools in need of calibration or repair.

Choose Fluke Premium Care as a standalone plan or combine it with a product in a bundle, with flexible one-year or three-year term options.

PremiumCare

Uptime Protection by **FLUKE**

See Terms and Conditions at **www.fluke.com/premiumcare** for more details. Prices subject to change without notice.

Repair manufacturing defects
Ensuring that your equipment functions as intended maintains accuracy and reliability, thereby reducing downtime and ensuring the longevity of your Fluke product.

Accidental damage and repair
Avoid costly repairs and rest easy knowing your test tool is covered in the event it gets damaged.

Replacement of damaged accessories
Accessories that originally shipped with your unit, like batteries, power adapters, probes and cables, and have been qualified as defective by our technicians will be replaced, free of charge.

Annual calibration or performance check
Ensure your test tool is providing accurate results and adheres to the recommended maintenance schedule by leaving it in the hands of our experts.

Expedited calibration and repair
Your calibration or repair will be expedited with priority next-on-bench service and shipping so you can get back to your work faster.

Expedited shipping
Accelerates the shipping process, reducing the time your equipment spends in transit, while minimizing the overall turnaround time to ensure that your Fluke product is back in your hands and operational as quickly as possible.

Software updates
Maintain peak performance with firmware updates that ensure your tool remains reliable and up to date, automatically applied during equipment calibration.

Priority tech support
Ensures prompt assistance and resolution of technical issues, minimizing downtime by quickly addressing any problems or concerns with your Fluke equipment.
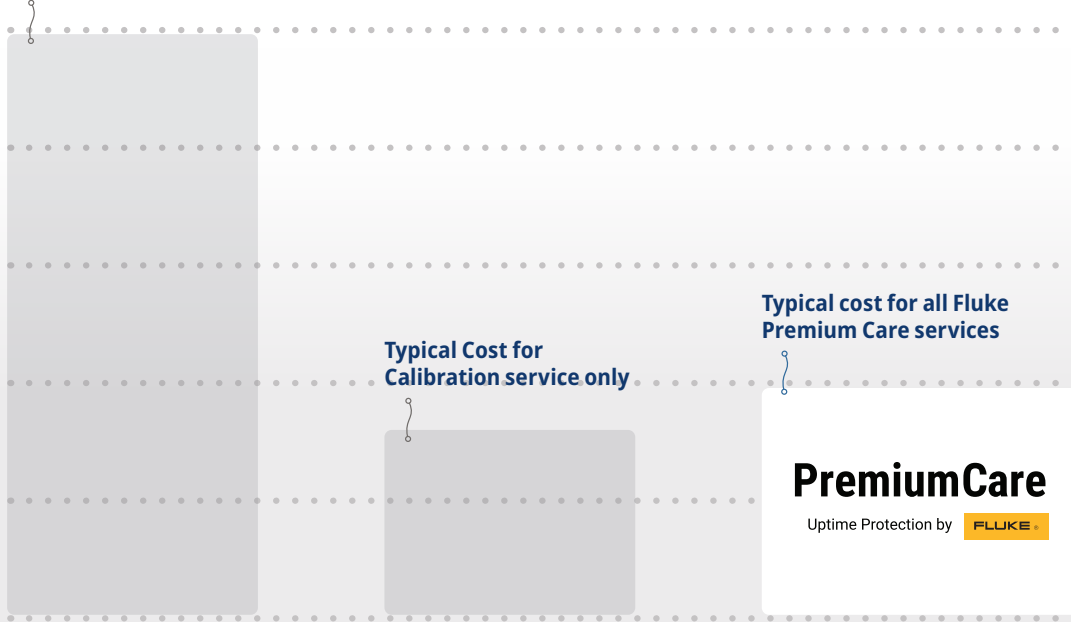

Loaner equipment
Never be without your tool. With a Gold Premium Care plan, we'll sent a loaner tool when needed.

Fluke Premium Care gives you calibration and more
—at a similar cost, with added value and peace of mind

**Typical cost for multiple services
when purchased individually**

**Typical Cost for
Calibration service only**

**Typical cost for all Fluke
Premium Care services**

PremiumCare
Uptime Protection by FLUKE.

Fluke Premium Care customers enjoy fewer steps
and faster, prioritized service
