

CURFEW CRASHERS™

THE REC ROOM SURVIVAL KIT

OFFICIAL MANIFEST & INSTRUCTION MANUAL

Warning: Unauthorized removal of these items from the premises will result in immediate suspension of bingo privileges.

WHAT IS IN THE BAG?

This premium stash bag contains everything you need to dominate game night, intimidate your rivals, and read the fine print on your HOA violation notices.

- **1 Heavy-Duty Velvet Stash Bag**
- **1 Solid Plastic Card Holder**
- **1 5X Magnifying Glass**
- **1 Black Fine-Point Dry-Erase Marker**
- **12 Jumbo UV-Coated Gag Cards**

UNIVERSAL COMPATIBILITY

While engineered specifically for Curfew Crashers™, the hardware in this kit is perfectly legal to deploy during Contract Bridge, Rummy, 313, standard Poker nights, or any game requiring a firm grip and sharp eyesight.

DEPLOYING THE GAGS

Your kit includes a 12-card Jumbo Deck of weaponized gag gifts consisting of Permits, Citations, and VIP Passes.

THE ARSENAL

These oversized cards are meant to be handed out in the wild. Because they feature a premium UV coating, they are fully compatible with dry-erase markers!

DEPLOYMENT

Physically issue these cards to your friends, family, and rival bingo players whenever they commit a social foul. Use the included black dry-erase marker to write their names directly on the citations—they wipe clean for your next victim.

ENFORCEMENT

All rulings on these cards are final. Arguing with a legally binding 'Thermostat Injunction' or an 'Early Bird VIP Pass' is grounds for forming a federal case.

ESCALATE THE CHAOS

If your Pension Pot is overflowing with cash, it is time to buy more gear.
