

Celebration Dream Center:

-The Celebration Dream Center will be an outreach hub for Celebration Church in Jacksonville, FL. It is our desire to reach out to the surrounding community, to both show the love of Jesus and to help meet practical needs.

- Components of the Celebration Dream Center will include:

- After School Programs
- Summer Camp Programs
- Block Parties with free food and giveaways
- Food Pantry
- Community Center Activities
- Resource Center for Adults

- The After- School program kicked off on August 21. This is to provide a safe environment where kids would receive snacks, mentoring/ homework assistance, tutoring, and computer and reading lab access.

- In the summer of 2018, Summer Camp Programs would provide safe and fun environments where kids can enjoy activities while they are out of school for the summer.

- In 2018, the Resource Center for adults will eventually include job finding assistance, mentoring, resume writing, financial literacy, etc. all to help adults and parents in the community further their employment skills.

- Ultimately our goal is to be a blessing to this community and to provide a safe and fun place where kids and families can come!
