---

**Format:**

15 weeks (1 of 4 semesters)

**Course Title:**

Unseen Realm 101

**Instructor:**

Dr. Michael Heiser

### Section 2: Course Description:

---

**Course Overview:**

This course is oriented by the content of Dr. Heiser's book, *The Unseen Realm*, through Chapter 22. The range of the course therefore extends from preliminary considerations of how we should be approaching the task of interpreting the Bible in light of its original ancient context, to the opening chapters of Genesis, the three supernatural-human rebellions of Genesis 1-11, and the story of Israel up to the point of the conquest of Canaan. The focus of lecture content is on the meta-narrative of salvation history with an eye toward the intersection of the supernatural worldview of the biblical writers and the story of God's desire to live among his people. Concepts such as imaging God, sacred space, supernatural rebellions, cosmic geography, and believing loyalty receive special attention.

**Course Materials:**

Logos 8 software package is included in your tuition and technology fees. All required textbooks for this class are found in our customized Logos 8 library. Your primary texts will be Dr. Heiser's books:

- *Unseen Realm: Recovering the Supernatural Worldview of the Bible*
- *Supernatural: What the Bible Teaches about the Unseen World and Why It Matters*

You will also read excerpts from Dr. Heiser's books:

- *Angels: What the Bible Really Says About God's Heavenly Host*
- *Demons: What the Bible Really Says About the Powers of Darkness*

**Course Topics:**

- Interpreting ancient texts in their context
- Why God would bother creating humanity and a world for humans
- What the Bible means by the "image of God".
- How do we image God? Understanding imaging as partnership.
- How God's creation decisions help us process evil.
- Three Supernatural Rebellions

- Cosmic Geography
- Deuteronomy 32 and Psalm 82
- Good news preached to Abraham
- Exodus as Spiritual Warfare
- Salvation and Believing loyalty
- Imaging and Bearing the Name
- Azazel and Leviticus 16

**Intended Learning Outcomes:**

As a result of reading, study and assessments in this course, the student should be able to:

1. Discuss the concept of the divine council, God's loyal heavenly host, and apply that biblical concept of God's heavenly family-concept to Scripture's vision of the earthly people of God.
2. Articulate the nature of the image of God as representing (imaging) God on earth and how that perspective informs the sanctity of human life, human relationships, discipleship, our earthly purpose, and theodicy.
3. Discern a biblical theology of supernatural evil from the perspective of the ancient writers and how that worldview informed messianic expectations.
4. Discuss the concepts of cosmic geography and sacred space with respect to both supernatural evil and the earthly presence of God among his people.
5. Express the relationship of faith and works by means of the concept of believing loyalty.
6. Discern how the doctrine of salvation is consistent across both Old and New Testaments

**Quizzes:**

For certification you are required to take the two types of quizzes. Each week of the 15 week course, there is a General Bible Knowledge quiz, and there is an Unseen Realm 1 content quiz.

However, these quizzes are purely for feedback. For you to know the important concepts to master in the Unseen Realm and the general Biblical knowledge that you should have as a growing, maturing Christian. You may take the quizzes as many times as you would like to help reinforce the important concepts of the course.

For those who may go on to read Sommer's book, realize he often sounds like a modalist. This is because, as a Jew, he's not an orthodox Christian!
