**FCA Coaches**

*Camp is extremely important to our local FCA ministry. Every coach we get to camp not only returns renewed and excited in their personal walk with the Lord, but they also come back with a greater sense of how they can utilize the FCA ministry to impact their teams and campuses for Jesus."*

## TIME TO RISE

The 2016 FCA Camp season challenged campers to rise up and give their all in their faith and sport. It was a record-breaking year with more than 106,268 coaches and athletes attending 740 FCA Camps across America and the world. Many lives were impacted and transformed by outstanding competition and spiritual growth during FCA's sixtieth camp season.

Every competitor faces a moment in his or her career when they must rise to the challenge. It takes strength, courage and commitment to rise up, give your all and make the moment count. This year's theme, RISE, was based on Joshua 1:9 and encouraged campers to trust and follow their Coach, Jesus Christ, as they rise to make a difference for Him.

This life-changing impact has been the main focus of FCA Camp since the first camp in 1956. In 2016 alone, over 8,788 coaches and athletes made first-time commitments to Christ.

FCA Camps are a time of "inspiration and perspiration" for coaches and athletes. Competitors who want to reach their potential through comprehensive athletic, spiritual and leadership training attend FCA Camp. The seven types of camps are: Sports Camp, Leadership Camp, Coaches Camp, Power Camp, Team Camp, Partnership Camp and International Camp.

***FCA Camp was the best week of my life. Not only did I get better at sports, more importantly I recommitted my life to the Lord. The coaches and the Huddle Leaders were inspiring people, and I can honestly say I saw the Lord's spirit at work full force the whole week."***
