

## **Huddle Leadership Team Models**

- In developing a leadership team, there are two types of models FCA encourages. They are a “position based” leadership team or a “task based” leadership team.
- A **position based leadership team** parallels the gifts and talents of a student leader to a specific position in leadership. A student serves in this position for a year.
- A **task based leadership team** assigns differing tasks to each leader based on their gifts and talents. These assignments are not limited to a specific time, could be for one week, one month, or one semester.
- The main thing to remember is to put people in a role that they can succeed in, where they feel comfortable. (A quiet, organized person is better suited for secretary, not necessarily the best fit for opening welcome announcements).
- Every leader should lead a workout at some point during the school year to provide spiritual leadership for the Huddle.
