Contents

This line is formatted as Heading 1 and becomes a chapter title	1
This is another chapter title since it is also a Heading 1 .	2
This line is formatted as Heading 2. It becomes the title of a section in a chapter.	2
This line becomes another chapter title, since it is also a Heading 1	4

This line is formatted as Heading 1 and becomes a chapter title

Any line formatted as a Heading 1 will become the title of a chapter that is listed in the Table of Contents. This is some content in the chapter, since it is formatted as Normal.

This is another chapter title since it is also a Heading 1

This is the content of the second chapter. This chapter also contains sections and sub-sections.

This line is formatted as Heading 2. It becomes the title of a section in a chapter.

This is some content in the section that was created from the Heading 2.

This line is formatted as Heading 3. It becomes the title of a sub-section in a chapter.

This is some content in the section that was created from the Heading 3.

This line is formatted as Heading 4. It becomes the title of a sub-sub-section in a chapter.

This is some content in the section that was created from the Heading 4.

This line is formatted as Heading 5. It becomes the title of a sub-sub-sub-section in a chapter.

This is some content in the section that was created from the Heading 5.

This is another chapter title since it is also a Heading 1

3

This line is formatted as Heading 6. It becomes the title of a sub-sub-sub-sub-section in a chapter.

This is some content in the section that was created from the Heading 6.

This line becomes another chapter title, since it is also a Heading 1

This sentence is written in regular text. **This sentence is written in bold text.** *This sentence is written in italics.* ***This sentence is written in bold and italicized text.*** ~~This sentence is written in strikethrough text.~~ This sentence is underlined in Word and will show up as italics in in the ebook.

This is a new paragraph. Paragraph indenting is done automatically as a global setting in Leanpub. For fiction books in Leanpub, by default the first paragraph in a chapter is not indented, and subsequent chapters are indented.

There is a footnote at the end of this sentence.¹ Please note that endnotes will be re-formatted as footnotes in the PDF version of your book. All footnotes in the EPUB and MOBI ebook files will appear at the end of the chapter.

[This sentence is a link to a page on the internet.](#)² In Fiction books, in the PDF ebook file, internet links will have footnotes that show the actual internet address of the link. At the end of this sentence is a link to an email address: <mailto:hello@leanpub.com>³.

Below is a block quote. [This sentence is a link to instructions for how to make a block quote in Word.](#)⁴

People like writing block quotes using fake Latin text,

¹This is the text written in the footnote.

²<https://leanpub.com/>

³<mailto:hello@leanpub.com>

⁴<http://asklibrary.com.edu/faq/58549>

but this is a boring old sentence instead.

Below this sentence is a numbered list.

1. Just typing 1 created a numbered list in Word.
2. This is a second item in a numbered list
3. This is a third item in a numbered list

Below this sentence is a lower-case Roman numeral list.

- i. List item one
- ii. List item two
- iii. List item three

Below this sentence is a bulleted list.

- Bullet item one
- Bullet item two
- Bullet item three

Below this paragraph is an image we have pasted into this document. Note that images are currently not nicely formatted in terms of their size and how they are floated. This will improve in future.

This line becomes another chapter title, since it is also a Heading 1
